The Master Sniper:

The Master Sniper Stephen Hunter, 1980 London 1945 It has become evident to an office bound American intelligence analyst James Leets of the OSS that deep within the Third Reich one last operation is being planned Leets doesn't know much but what he does know terrifies him it will involve a special man and a special rifle The man is Repp of the Waffen SS of Totenkopf the Death's Head Division Repp whose bravery and resolve are legendary and who is called the Master Sniper Repp is the very best in his profession But the stakes involved are huge even for Repp He's going to kill somebody Somebody big Leets tells his boss Tony Outhwaite of British Intelligence He's going to snipe him But who Thus begins an extraordinarily suspenseful journey across the face of a war and into the deep part of the human heart where the will to murder lurks Leets and his team the acerbic Outhwaite Roger Evans a callow Harvard boy and Shmuel a death camp refugee one of the few men on earth to have stood on the far side of the rifle from Repp and survived begin to track the German Their quest takes them to the front and to the morgue through a frightening night airborne assault to the pit's edge at a concentration camp and through the labyrinths of the Third Reich The cost is high and the time is short And Repp for his part is under the same great pressure he must supervise the modification of the sophisticated weapon code named Vampir that makes his operation possible knowing all the while he is being hunted and that at any moment attack may come When it does his only chance is to flee across a shattered Germany where by an ironic trick he becomes the quarry not only of his hunters but of the SS as well But Repp has the motivation At that moment when he cups the scope to his eye and draws back the bolt he feels himself a Force of History For him the mission is a last consecration Leets knows better He knows it's the final blasphemy The Master Sniper is impeccably researched and beautifully written It is one of those rare thrillers that creates a whole world and populates it with characters about whom we come to care desperately Its last moments are among the most intense and compelling in the literature of suspense This is Stephen Hunter's first novel Jacket

The Master Sniper Stephen Hunter, 1996-06-02 In the death throes of World War II one man is still at war and he's got the world's deadliest weapon in his hands With a sniper's rifle he has calmly executed hundreds of enemy soldiers in a single battle and gunned down thousands of innocent civilians in a single day waiting patiently for the barrel of his gun to cool before resuming his craft It is the spring of 1945 And Repp the master sniper is about to carry out his final mission even as Germany's enemies overrun it even while a tired disorganized team of American and British agents tries everything in its power to stop him Because for Repp this is the one job at which he cannot fail For this time he possesses the ultimate killing tool And with it he will commit the ultimate crime Praise for The Master Sniper Mesmerizing suspense Kirkus Reviews Hunter is a deft craftsman with a sure sense of pace and scene He also knows about irony and sprinkles just a bit over every corpse The Washington Post Stephen Hunter is the best writer of straight out thrillers working today Rocky Mountain News
