**Message of Genesis** Ralph H. Elliott, 1963-01-01 *The Message of Genesis 12-50* Joyce G. Baldwin, 2022-01-11 Genesis sets the scene for the whole of the Bible and indeed the entire human drama In this BST commentary Joyce G Baldwin shows how the vivid narratives of Abraham Isaac Jacob and Joseph in Genesis 12 50 still speak to us today highlighting God s ways of dealing with ordinary imperfect people in fulfilling his great plan for the whole of humanity

**Life-Study of Genesis** Witness Lee, 1997-08 **You Can Understand® the Book of Genesis** Skip Heitzig, 2018-06-05 In the Beginning A Good Place to Start Genesis is chock full of some of the Bible s most exciting stories From Adam and Eve in the Garden of Eden to Joseph s reunion with his family Do you ever wonder if God really did create the world in seven days What s the deal with Cain and Abel anyway And just how big was that boat Noah built Start at the beginning with Pastor Skip Heitzig and the accounts on which the rest of Scripture is built the creation of the world the fall of mankind and God s establishment of the history of the nation of Israel Follow along and learn not just the origins of man but also the origins of God s plan for redemption Understanding the book of Genesis is crucial to understanding the rest of the Bible And it all starts in the beginning

**The Message of Discipleship** Peter Morden, 2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden s conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is

wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups The Message of Discipleship will help you to see how the Bible s unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture

*The Meaning of the Pentateuch* John H. Sailhamer,2010-06-18 Persuaded of the singular vision of the Pentateuch Old Testament professor John Sailhamer searches out clues left by the author and the later editor of the Pentateuch that will disclose the meaning of this great work By paying particular attention to the poetic seams in the text he rediscovers a message that surprisingly brings us to the threshold of the New Testament gospel

A Survey of the Old Testament Andrew E. Hill,John H. Walton,2000 A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary historical and theological issues of each Old Testament book and of the Old Testament as a whole This revised edition makes the exceptional scope of the first edition more accessible to contemporary readers A redesigned interior complete with new visuals maps photos timelines and charts makes this book more attractive and useful than ever Treating the books of the Old Testament in the order of the English canon A Survey of the Old Testament explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author The book also introduces the reader to issues such as Israelite and Near Eastern history archaeology the formation of the canon and geography Written by two widely respected scholars and educators A Survey of the Old Testament is designed to help readers develop a broad grasp of the Old Testament

**Genesis 1-11** Thomas A. Keiser,2013-08-21 Although the object of centuries of study only relatively recently has Genesis 1 11 been analyzed with attention to its literary unity and theological purpose With the latter twentieth century s increased attention to synchronic approaches many scholars began to consider Genesis 1 11 from the perspective of a literary unity in its final form and therefore to consider matters of intent and theological content Yet in spite of these treatments there have been virtually no attempts to view the entire section of Genesis 1 11 as a literary and theological unity presenting a coherent message This book begins to fill this void by seeking to identify the message of these chapters through utilization of a literary theological approach The study focuses on literary features including the broader issues of surface and deep structure while other topics of special concern include rhetoric as the art of composition for the purpose of communication and persuasion and the use of speech as an important indicator of key issues in Hebrew narrative
