The Midas Touch:

Gazing at Games Veronica Sundstedt, 2022-05-31 Eye tracking is a process that identifies a specific point in both space and time that is being looked at by the observer This information can also be used in real time to control applications using the eyes Recent innovations in the video game industry include alternative input modalities to provide an enhanced more immersive user experience In particular eye gaze control has recently been explored as an input modality in video games This book is an introduction for those interested in using eye tracking to control or analyze video games and virtual environments Key concepts are illustrated through three case studies in which gaze control and voice recognition have been used in combination to control virtual characters and applications The lessons learned in the case studies are presented and issues relating to incorporating eye tracking in interactive applications are discussed The reader will be given an introduction to human visual attention eye movements and eye tracking technologies Previous work in the field of studying fixation behavior in games and using eye tracking for video game interaction will also be presented The final chapter discusses ideas for how this field can be developed further to create richer interaction for characters and crowds in virtual environments Alternative means of interaction in video games are especially important for disabled users for whom traditional techniques such as mouse and keyboard may be far from ideal This book is also relevant for those wishing to use gaze control in applications other than games Table of Contents Introduction The Human Visual System Eye Tracking Eye Tracking in Video Games Gaze and Voice Controlled Video Games Case Study I and II Gaze and Voice Controlled Drawing Case Study III Conclusion

The Last Word Yusuf Kodwawala Dawood, 2012 The Last Word by Yusuf Dawood concludes the quartet of the Surgeon's Diary in book format The other three are Yesterday Today and Tomorrow Off my Chest and Behind the Mask The beautifully executed stories in the Last Word are adorned with occurrences from the author's extensive travels and medical experiences some heart rending and others with exultant endings Dawood's stories are lit with humor and wit that make the myriad medical challenges seem surmountable The stories though appearing in the Surgeon's Diary are fresh and authentic Just like in the other three titles that form the quartet the author has once again used his scalpel and pen with prowess to bring real surgical drama to our doorstep Dawood a celebrated surgeon and formidable author has authored The Price of Living One Life too Many Water Under the Bridge among others The Last Word is his eleventh title

The Triumph of Venus Jeanne L. Schroeder,2004-02-23 Central to Schroeder s case is the conviction that reason and passion are two sides of the same coin Rationality represents the human potential actualized only through desire she argues and passion functions only insofar as it preserves the rationality that makes desire possible Far from being anti erotic market relations are in this analysis the most basic form of eroticism Disclosing a fundamental similarity between erotic and economic behavior The Triumph of Venus reveals that while the former cannot be reduced to the latter the latter can only be explained in terms of the former Venus triumphs over the market
