Reproduction of the original Illustrated Edition of the Life and Escape of Wm Wells Brown by Wm Wells Brown      Life and Escape of Wm. Wells Brown from American Slavery William Wells Brown,2023-10-28  
In Life and Escape of Wm Wells Brown from American Slavery William Wells Brown crafts a poignant and compelling narrative that serves as both autobiography and a chilling exposé of the institution of slavery in America. Written in the first person, the text employs a straightforward yet evocative literary style, effectively capturing the brutal realities of enslavement and the fervent desire for freedom. Through vivid descriptions and emotional depth, Brown chronicles his harrowing escape from bondage while contextualizing his experiences within the broader socio-political landscape of antebellum America, making it a significant work in the African American literary canon. Born into slavery in 1814, Brown's lived experiences and firsthand knowledge of the horrors of slavery fundamentally shaped his urgent call for abolition and civil rights. As an early African American author and an outspoken advocate for equality, Brown's relentless ambition to educate both white and black populations on the realities of slavery reflects his deep commitment to social justice and human dignity, making this narrative not only personal but also a pivotal contribution to abolitionist literature. This essential text is recommended for anyone seeking to understand the historical complexities of slavery in America and its enduring impact. How did the most wanted man in the country outwit the greatest manhunt in British history      **Illustrated Edition of the Life and Escape of William Wells Brown from American Slavery** William Wells Brown,2021-07-03  
A former slave writes of his experiences. Excerpt: I was born in Lexington, Kentucky, one of the Western slave states. My mother was the slave of Dr. John Young, my father was a slaveholder and a relative of my master. Dr. Young was the owner of from forty to fifty slaves, most of whom were field hands. I have no recollection of Kentucky as my master removed from that state during my infancy to a large plantation which he had purchased near the town of St. Charles. My

master being a politician soon found those who were ready to put him into office for the favors he could render them and a few years after his arrival in Missouri he was elected to a seat in the legislature In his absence from home everything was left in charge of Mr Cook the overseer and he soon became more tyrannical and cruel Among the slaves on the plantation was one by the name of Randall He was a man about six feet high and well proportioned and known as a man of great strength and power He was considered the most valuable and able bodied slave on the plantation but no matter how good or useful a slave may be he seldom escapes the lash But it was not so with Randall He had been on the plantation since my earliest recollection and I had never known of his being flogged No thanks were due to the master or overseer for this I have often heard him declare that no white man should ever whip him that he would die first
