Infernal Triad Patrick Cullen, 2015-03-08 One of the few theological formulas of medieval times to survive the scrutiny of the Reformation was that of the infernal triad of the sins of the Flesh the World and the Devil Through a close analysis of the structural and thematic role that this triad plays in Books I and II of the Faerie Queene and in Paradise Lost Paradise Regained and Samson Agonistes Patrick Cullen explores the imaginative continuity between two of the greatest poets of the English Renaissance Edmund Spenser and John Milton By presenting the two poets in a single focus Professor Cullen demonstrates the profound indebtedness of Milton to Spenser a relationship which has not received due scholarly attention despite Milton's praise of Spenser as a better teacher than Aquinas and his admission according to Dryden that Spenser was his original Professor Cullen's new approach allows him to define a clear allegorical lineage between some of the major poems of the period demonstrating the imaginative affinity of Spenser and Milton with great concreteness and specificity Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Literary Digest** ,1913
