Trouble Bound:

The Birth of Rock 'n' Roll Peter Guralnick, Colin Escott, 2022-11-22 In Memphis Tennessee in the 1950s there was hard edged blues playing on Beale Street and hillbilly boogie on the outskirts of town But at Sam Phillips Sun Records studio on Union Avenue there was something different going on a whole lotta shakin rockin and rollin This is where rock n roll was born Sun Records the company that launched Elvis Presley Jerry Lee Lewis Johnny Cash Roy Orbison and Carl Perkins The label that brought the world Blue Suede Shoes Whole Lotta Shakin Goin On Breathless I Walk the Line Mystery Train Good Rockin Tonight The Birth of Rock n Roll 70 Years of Sun Records is the official history of this legendary label and looks at its story in a unique way through the lens of 70 of its most iconic recordings From the early days with primal blues artists like Howlin Wolf and B B King to long nights in the studio with Elvis and Jerry Lee Lewis you will see how the label was shaped and how it redefined American music Accompanying the recordings is the label s origin story and a look at the mission of the label today as well as Sun Spot sidebars a fascinating dive into subjects such as how the iconic logo was created the legendary Million Dollar Quartet sessions and how the song Harper Valley PTA funded the purchase of the label Written by two of the most acclaimed music writers of our time Peter Guralnick and Colin Escott and featuring hundreds of rare images from the Sun archives as well as a foreword by music legend Jerry Lee Lewis this is a one of a kind book for anyone who wants to know where it all started

The Month ,1879 [The Ancient Hebrew Lexicon of the Bible](#) Jeff A. Benner, 2021-06-28 All previous Biblical Hebrew lexicons have provided a modern western definition and perspective to Hebrew roots and words This prevents the reader of the Bible from seeing the ancient authors original intent of the passages This is the first Biblical Hebrew lexicon that defines each Hebrew word within its original Ancient Hebrew cultural meaning One of the major differences between the Modern Western mind and the Ancient Hebrew s is that their mind related all words and their meanings to a concrete concept For instance the Hebrew word chai is normally translated as life a western abstract meaning but the original Hebrew concrete meaning of this word is the stomach In the Ancient Hebrew mind a full stomach is a sign of a full life The Hebrew language is a root system oriented language and the lexicon is divided into sections reflecting this root system Each word of the Hebrew Bible is grouped within its roots and is defined according to its original ancient cultural meaning Also included in each word entry are its alternative spellings King James translations of the word and Strong s number Indexes are included to assist with finding a word within the lexicon according to its spelling definition King James translation or Strong s number
