

The Valley of **TROUBLE**

A person in a red jacket stands in a dark, rocky valley. In the background, a large, intense fire or explosion illuminates the scene with bright orange and yellow light. The sky is dark, and the surrounding cliffs are silhouetted against the light.

Trouble Valley:

Unveiling Mercy Chad Bird,2020-11-10 Unveiling Mercy will do just that unveil how the mercy of God in the Messiah is spoken of from the very opening Hebrew word of the Bible all the way to the closing chapter of Malachi By the end of the year you will have entered the Old Testament through 365 new doorways looked with fresh eyes at old verses and traced a web of connections all over the Scriptures that you ve never spotted before You ll begin to see what one person meant when he described Hebrew words as hyphens between heaven and earth Reading the Bible in translation can be like kissing the bride through the veil Each of these 365 devotions is crafted so as to lift that veil ever so slightly to touch skin to skin as it were with the original language You do not need to know anything about Hebrew to profit from these meditations They are not written to teach you the language of Abraham Moses and Isaiah but to give you a taste of their insights to expose you to their eloquence to laugh with them at their winking wordplays to un English their idioms and most importantly to trace their trajectories all the way into the preaching of the Messiah and the writings of his evangelists and apostles Compassionate Intercultural Care Practices for Coping with Grief James Japheth Sudarshan Harrichand,2024-03-31 As humans we all express our grief differently Acknowledging this truth Dr James Harrichand examines Old Testament accounts of grief and mourning alongside the experiences of marginalized Guyanese and Vietnamese immigrant communities in Canada He explores both biblical and pastoral theology through an anthropological lens bridging the horizons of Scripture and culture in a hermeneutically and pastorally sensitive manner Dr Harrichand s focus on prosaic prayers in the Old Testament fills a significant gap in the scholarship but this book is also significant for its immense practicality sensitizing readers to grief s varied expressions and equipping culturally intelligent pastoral caregivers He presents five compassionate intercultural care practices for coping with grief grounding each in the living hope of the redemptive work of Jesus Christ the one who bore our griefs and carries our sorrows **The Message** Eugene H.
