What Is the Trinity? R. C. Sproul, 2019-03-14 The Bible teaches that God is one in substance and three in person the Father the Son and the Holy Spirit Although the Trinity is clearly taught in the Bible it has been attacked throughout church history and many Christians today have not studied this foundational doctrine In this booklet Dr R C Sproul carefully explains the Trinity and clarifies common misconceptions While the Trinity is mysterious it is not contradictory and it is essential to understanding the nature of God The Crucial Questions booklet series by Dr R C Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers

The Trinity Hans Schwarz, 2017-09-15 In the last thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among systematic theologians The topic has been mined for many different interests from liberation theology to feminist interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really scripturally tenable with regard to the Trinity and what is unwarranted theological construction or even speculation Through this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape here is a story how the doctrine of the Trinity developed over the subsequent centuries from the traces in Scripture to a centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to speculation What are we to make of this doctrine How do we articulate the biblical faith today

What is the Trinity and Why Does it Matter? Steve Dancause, 2020-03-31 How is the one God also three persons How is Jesus fully God and fully human Who in the world should we pray to And why does any of it matter Steve Dancause offers a succinct and profound investigation into how what we think about God as Trinity matters in our faith our work and our love It matters because the walls of our churches are cracking around us We can keep patching things up but it is better to go to the foundation and do the hard digging With the right foundation the structure holds and it stands the test of eternity And it is only in Jesus and the Trinity he reveals to us that we build our lives on solid rock Let's dig down together The Jesus Way Small Books of Radical

What is the Trinity? Bernard Pault, 1959. The purpose of this book is to supply a lack in the means available to the Christian who wants to widen his religious knowledge. There is an urgency for a better understanding of the Trinity in our age, even of the need to contemplate its mystery. To be overcome with wonder before this God who reveals himself to man before the life of God himself, that life which he possesses as Three in One, that life which he freely gives to us to find in contemplation of this mystery, the source of all spiritual life and the mainspring of all action.

My God Is a Trinity Jerry Kofi Tutu, 2015-08-23. Lack of understanding of the concept of the Holy Trinity has plagued the church of Jesus Christ for more than two thousand years. But this doctrine is not difficult to understand when we restrict ourselves solely to the sayings of our Lord Jesus Christ, the author and finisher of our faith. Although the Bible does not mention the word Trinity in all the books, however, there is a word mentioned in the Bible that confirms the doctrine of the Holy Trinity. This word reveals the plurality in unity of the divine nature of God. The word Godhead appeared 3 times in the New Testament, and an in-depth study of this word unveils the concept of the Holy Trinity. It was translated from the Greek word THEIOS, which is translated in Thayer's Greek-English Lexicon of the New Testament as the Holy Trinity, comprising the Father, Jesus Christ, and the Holy Spirit. So the Bible does indeed mention the Holy Trinity, but by a different name. As a former Muslim, the subject of the Holy Trinity became a major stumbling block in my early Christian walk, and therefore I devoted almost two decades of my life seeking for answers to this elusive Christian doctrine. Progressively, the Lord gradually revealed this concept to me in a very easy-to-understand manner. So in this book, you will find answers to some of the questions that most of us ask in our quest to understand the Holy Trinity. For example, is Jesus Christ the same as God? Or is Jesus Christ the only Begotten Son of God? What did Jesus imply when He said, "I and the Father are one"? Was He denying the Holy Spirit as part of the Trinity since He didn't say, "I, the Father, and the Holy Spirit are one"? But instead, He left out the Holy Spirit and said, "I and the Father are one." These and many other probing questions would be answered based on the sayings of our Lord Jesus Christ. Moreover, did Christendom borrow the doctrine of the Trinity from pagan religions in antiquity at the Council of Catholic Bishops at Nicaea in the fourth century AD? Or did the Council of Nicaea echo a truth recorded in the Bible from the beginning of time? The Holy Scriptures clearly unveil God to the reader without any ambiguity, but human interpretations had confused this doctrine, thus making it difficult to understand. The Bible does not address the Holy Trinity as God the Father, God the Son, and God the Holy Spirit. Instead, the Bible addresses the Holy Trinity as God the Father, the Son of God, and the Holy Spirit of God. So what is the difference between these two descriptions? Through the pages of this book, you will find answers to these
