

# Global Soft Power Index 2025

# Soft Power

**M Tight**

## **Soft Power:**

*Soft Power* Joseph S. Nye, 2004-03-16 What must the United States do to remain the global superpower and stop alienating the rest of the world The author of the bestselling *The Paradox of American Power* has one clear answer soft power

**The Rhetoric of Soft Power** Craig Hayden, 2011-11-15 *The Rhetoric of Soft Power Public Diplomacy in Global Contexts* provides a comparative assessment of public diplomacy and strategic communication initiatives in order to portray how Joseph Nye's notion of soft power has translated into context specific strategies of international influence The book examines four cases Japan Venezuela China and the United States to illuminate the particular significance of culture foreign publics and communication technologies for the foreign policy ambitions of each country This study explores the notion of soft power as a set of theoretical arguments about power and as a reflection of how nation states perceive what is an increasingly necessary perspective on international relations in an age of ubiquitous global communication flows and encroaching networks of non state actors Through an analysis of policy discourse public diplomacy initiatives and related programs of strategic influence soft power in each case represents a localized set of assumptions about the requirements of persuasion the relevance of foreign audiences to state goals and the perception of what counts as a soft power resource This timely analysis provides an unprecedented comparative investigation of the relationship between soft power and public diplomacy

Soft Power Hendrik W. Ohnesorge, 2019-11-22 This book explores the phenomenon of soft power in international relations In the context of current discourses on power and global power shifts it puts forward a comprehensive taxonomy of soft power and outlines a methodological roadmap for its empirical study To that end the book classifies soft power into distinct components resources instruments reception and outcomes and identifies relevant indicators for each of these categories Moreover the book integrates previously neglected aspects into the concept of soft power including the significance of political personalities A broad range of historical examples is drawn upon to illustrate the effects of soft power in international relations in an innovative and analytically differentiated way A central methodological contribution of this book consists in highlighting the value of comparative historical analysis CHA as a promising approach for empirical analyses of the soft power of different actors on the international stage By introducing a comprehensive taxonomy of soft power the book offers an innovative and substantiated perspective on a pivotal phenomenon in today's international relations As the forces of attraction in world politics continue to gain in importance it provides a valuable asset for a broad readership This book was the winner of the 2021 ifa German Institute for Foreign Cultural Relations Research Award on Foreign Cultural Policy In this important and thoughtful book Hendrik Ohnesorge explains and advances our knowledge of the ways that soft power public diplomacy and charismatic personal diplomacy are shaping the international relations of our global information age Joseph S Nye Jr Harvard University and author of *The Future of Power*

*Soft Power and Great-Power Competition* Joseph S. Nye, 2023-04-26 This open access book consists of essays selected from Joseph S Nye

Jr's last three decades of writing and illustrate a variety of perspectives on the nature of power the role of the United States in the world and US China relations Through this collection it is hoped that readers will gain a better understanding of today's global environment and find that while great power competition may be inevitable in a world as centers of power shift cooperating to address transnational challenges can be a positive sum game The contents of this book are divided into four main parts Part One discusses the origins and political progress of the concept of Soft Power Part Two explores soft power in the American experience its sources and interaction with US foreign policy as well as its ebb and flow in the age of Obama Trump and Biden Part Three examines the rise of and the opportunities and difficulties for Chinese soft power focusing on China's investment in soft power and how this demonstrates its commitment to a peaceful rise However it also addresses the question of how can China get smart on how it uses soft power Part Four provides a bird's eye view of power shifts in the 21st century and the interactions between the US as an established power and China as a rising power while also reassuring readers that Thucydidean fears are unnecessary and a Cold War is avoidable Both countries have to realize that some forms of power must be exercised with others not over others the development of soft power need not be a zero sum game Ultimately the US China relationship is a cooperative rivalry where a successful strategy of smart competition is necessary and cooperation on transnational challenges like climate change pandemics cyberterrorism and nuclear proliferation will serve to benefit not only China and the US but the world as a whole

*Soft Power Beyond the Nation* Sylvia Dummer Scheel, Charlotte Faucher, Camila Gatica Mizala, 2024 This edited volume takes a distinct approach to the study of soft power in history moving beyond the framework of the nation state The editors of this volume use soft power as a broad label to refer to the processes through which persuasion the search for influence and power and public opinion as an actor in foreign affairs converge in the international arena The book has been organized around three central themes the circulation of knowledge and strategies across borders collaboration of intermediary actors who have their own agencies and interests and non national identities such as gender and race The book also broadens the typical temporal and geographic understanding of soft power starting in the nineteenth century and including cases from the Global South It argues that the pursuit of soft power has been a global phenomenon including regions that have been neglected in the general debates on the subject such as Africa Asia and Latin America These arguments and themes are explored through ten chapters that offer a powerful new interdisciplinary perspective on soft power for scholars and students of history and international relations

**Soft Power Superpowers** Yasushi Watanabe, David L. McConnell, 2008 The term soft power describes a country's ability to get what it wants by attracting rather than coercing others by engaging hearts and minds through cultural and political values and foreign policies that other countries see as legitimate and conducive to their own interests The concept was introduced by Joseph Nye former Assistant Secretary of Defense for International Security Affairs who wrote the Foreword for this book The book analyzes the soft power assets of the United States and Japan and how they contributed to one of the most

successful if unlikely bilateral relationships of the twentieth century Sponsored by the U S Social Science Research Council and the Japan Foundation s Center for Global Partnership the book brings together anthropologists political scientists historians economists diplomats and others to explore the multiple axes of soft power that operate in the U S Japanese relationship and between the United States and Japan and other regions of the world The contributors move beyond an either or concept of hard versus soft power to a more dynamic interpretation and demonstrate the important role of non state actors in wielding soft power They show how public diplomacy on both sides of the Pacific bolstered by less formal influences such as popular cultural icons product brands martial arts baseball and educational exchanges has led to a vibrant U S Japanese relationship since World War II despite formidable challenges Emphasizing the essentially interactive nature of persuasion the book highlights an approach to soft power that has many implications for the world today

**Soft Power and Charismatic Leadership in German-American Relations** Hendrik W. Ohnesorge, 2026-01-12 This book examines the origin development and significance of soft power and charismatic leadership in German American relations Using a comparative historical approach that spans more than five centuries of transatlantic interaction it identifies traces and explains the forces of attraction between Germany and the United States of America Taking into account political security economic cultural and personal dimensions the book offers a comprehensive history of German American relations The book is divided into three parts The first part discusses the role of soft power in international affairs outlines its mechanisms and presents methodological approaches for its empirical analysis The second part applies these insights to a case study of soft power in transatlantic relations focusing on key historical milestones from the early 16th century to the present Particular attention is paid to the post Cold War period and the presidencies of Bill Clinton George W Bush Barack Obama and Donald Trump The third part synthesizes and contextualizes the findings assesses recent developments and outlines a future research agenda An epilogue presents key lessons for developing an effective soft power strategy in 21st century global politics

*Soft Power and US Foreign Policy* Inderjeet Parmar, Michael Cox, 2010-03-12 The rise of widespread negative attitudes towards US foreign policy especially due to the war of aggression against Iraq and the subsequent military occupation of the country has brought new attention to the meaning and instruments of soft power In this edited collection an outstanding line up of contributors provides the most extensive discussion of soft power to date Soft power is the use of attraction and persuasion rather than the use of coercion or force in foreign policy It arises from the attractiveness of a country s culture political ideals and policies whereas hard power develops out of a country s military or economic might Soft Power has become part of popular political discourse since it was coined by Harvard s Joseph Nye and this volume features a brand new chapter by Nye outlining his views on soft hard and smart power and offers a critique of the Bush administration s inadequacies He then goes on to examine the challenges for the incoming US president The other contributions to the volume respond to Nye s views from a range of theoretical historical and policy perspectives giving new insights in to both

soft power and the concept of power itself This is the most comprehensive and up to date analysis of this key concept in foreign affairs and is essential reading for scholars of US foreign policy public diplomacy international relations and foreign policy analysis

**Soft Power** Mingjiang Li,2009-08-15 Soft power has become a very popular concept in international affairs appearing in government policy papers academic discussions and the popular media In China soft power has become one of the most frequently used phrases among political leaders leading academics and journalists Defined against hard power which often involves threat and coercion soft power applies attraction persuasion and cooperation finding its sources in culture political values and foreign policies China rich in culture and traditional philosophy boasts abundant sources of soft power Soft Power attempts to analyze the domestic and international views of China s soft power the main strengths and weaknesses of China s soft power and the application of soft power in China s international politics It provides a comprehensive exploration of the soft power dimension in China s foreign relations by integrating views from various disciplines such as history education culture political economy comparative politics and philosophy The book argues that soft power has become a very popular concept in China that China is contemplating and exploring an innovative strategy in its rise and international politics and that there have been quite a few notable elements of this in China s diplomatic practice including softer rhetoric promotion of the Chinese culture abroad economic diplomacy and image building The book also argues that the limitations of China s soft power primarily stem from political values and China s own transitions and reflects the reality that views and opinions regarding China s soft power are fairly diverse both in China and in the international arena Soft power is a useful and important perspective by which to understand Chinese foreign policy and the future evolution of China s role in international politics This study is a pioneering work providing a new perspective for the study of Chinese foreign policy and the rise of China that will appeal to scholars of Chinese foreign policy

**The Palgrave Encyclopedia of Global Security Studies** ,2023-02-15 This encyclopedia provides an authoritative guide intended for students of all levels of studies offering multidisciplinary insight and analysis of over 500 headwords covering the main concepts of Security and Non traditional Security and their relation to other scholarly fields and aspects of real world issues in the contemporary geopolitical world

Japanese Studies ,2010 Papers presented at the three day International Conference on Changing Global Profile of Japanese Studies Trends and Prospects held at New Delhi during 6 8 March 2009

**Soft Power and Diplomatic Strategies in Asia and the Middle East** Zreik, Mohamad,2024-04-01 In a world witnessing the transformative rise of China the intricate dynamics of its soft power diplomacy have become a focal point of global attention As geopolitical landscapes shift the need to understand how China crafts its foreign policy especially through the strategic use of soft power becomes imperative Soft Power and Diplomatic Strategies in Asia and the Middle East is a crucial resource to unraveling these complexities The book addresses the post COVID 19 changes in China s soft power application providing an in depth comparative analysis of its diplomatic endeavors in the Middle East and East Asia By

exploring cultural exchanges economic collaborations and religious engagements the book offers nuanced insights into China's strategies making it an indispensable tool for academics policymakers diplomats and those intrigued by contemporary geopolitics This book aims to dissect the multifaceted approaches China employs to achieve its diplomatic objectives From cultural initiatives to economic partnerships and religious engagements the book unravels the adaptability and complexity of China's foreign policy mechanisms Its primary objective is to provide a comparative framework for studying China's soft power diplomacy filling a notable gap in existing scholarship The interdisciplinary approach ensures rich diverse analyses fostering dialogues across international relations Asian studies and political science By offering new theories methodologies and empirical data the book not only challenges existing notions but also sparks further academic inquiry into the strategic use of soft power in foreign policy

Soft Power and Diplomacy Bridey Heing, 2020 The Current Controversies series examines today's most important social and political issues Each volume presents a diverse selection of primary sources representing all sides of the debate in question Book jacket

**Hard Power and Soft Power** Colin S. Gray, 2011 Introduction rust on the mailed fist 11 propositions Conclusion

**Military Soft Power** Carol Atkinson, 2014-06-26 The military has long been associated with hard power yet it is engaged in public diplomacy as it represents the U S abroad and facilitates the diffusion of ideas Military Soft Power examines one such aspect of U S public diplomacy how the United States extends its influence or soft power worldwide through military educational exchange programs hosted by the United States elite military schools its war and staff colleges The presence of international officers at U S military schools is substantial yet very little is known about the long term impacts of these exchanges This study shows how the exchanges build personal and professional networks that then serve as important conduits of ideas between the United States and other countries These networks help to improve interoperability between the U S military and its partner nations and to extend U S influence through military soft power rather than through hard power This is an alternative bottom up view of how military organizations can influence political processes and decisions through the development of cross border communities of military professionals This involves a two step model of socialization First individuals military officers are socialized by a large political institution the U S through its war and staff colleges Second these individuals function as idea entrepreneurs bringing new ideas beliefs and practices home with them There is a need for policies and programs that help countries successfully transition from authoritarian governance to democratic rule as well as countries undergoing democratic revolutions and those seeking more gradual change Exchange programs are one pathway in which an important group of citizens military officers and their families can experience the everyday functioning of democratic practices and institutions This unique survey provides timely insights into the important political impacts of military exchange programs and how military institutions and their personnel influence international politics beyond simply being used as an instrument of coercion

*The Routledge Handbook of Soft Power* Naren Chitty, Lilian Ji, Gary D Rawnsley, 2023-07-07 The Routledge

Handbook of Soft Power 2nd Edition offers a comprehensive detailed and ground breaking examination of soft power a key factor in cultural diplomacy cultural relations and public diplomacy Interrogating soft power as influence the handbook examines manifestations in media public mind policy and theory in a fraught geopolitical climate one demanding reconceptualization of soft power s role in state and civic society behaviour Part I provides important new conceptualization and critical analysis of soft power from international relations philosophical and other social theoretical perspectives analyses multiple methods of soft power measurement and makes proposals and connects soft power innovatively with other concepts Part II addresses soft power and contemporary issues by examining new technology and soft power intentions soft power and states performance during the global pandemic and soft power and values Part III investigates cases from China France Greece Israel Japan Kazhakstan Poland Russia South Korea Spain T rkiye and the United States some in combination This innovative handbook is a definitive resource for inquirers into soft power desiring to familiarize themselves with cutting edge debates and research It will be of interest and value to students researchers and policy makers working in cultural relations international communication international relations public diplomacy and contiguous fields

**Alternative Paths to Influence** Giulio M. Gallarotti, 2023-06-06 This book offers new and cutting edge analyses of under explored subjects and issues in the realm of soft power It attempts to fill significant scholarly gaps in understanding the process by which soft power is created as well as gaps in demonstrating its impact Soft power is one of the most influential ideas in the study of international politics over the past thirty years Can nations attain their most vital foreign policy objectives in agreeable ways Advocates of the concept of soft power have vociferously answered in the affirmative After many years of thinking in the field of international affairs that the only effective path to influence in international politics was military and economic power the idea of soft power offers new and exciting possibilities of gaining such influence through a more benign path one that elevates cooperation and esteem as preferred alternatives to violence threat and military capacity This book posits that the realization of the full potential of soft power as a foundation for international relations is a crucial goal for our present world one beset by war and planetary crises The book will be of special interest to researchers across political science international relations cultural studies and foreign policy It was originally published as a special issue of the Journal of Political Power

**Emerging Powers in International Politics** Mathilde Chatin, Giulio Gallarotti, 2019-05-16 The rise of large and rapidly growing nations is having a significant impact on the global order as their expanding influence reshapes the structure of power in the international system These emerging powers are increasingly asserting themselves as major actors on the global scene Leading this cadre of emerging powers are five nations referred to as the BRICS Brazil Russia India China and South Africa This book takes inventory of both the individual and collective soft power of this rising bloc of nations Having embraced the potential of this newly emphasized type of power as a means of generating international influence these nations have dedicated substantial effort and resources to implementing a soft power offensive This book was originally

published as a special issue of the Journal of Political Power      **Norway's Peace Policy** J. Taulbee, A. Kelleher, P. Grosvenor, 2014-12-17 The post Cold War world allows space for less powerful states to develop influential roles in responding to specific international problems Norway has focused on the persistent issue of violent ethno political conflict This book explains why Norway chose its peace policy and demonstrates what it has been able to achieve      *Soft Power With Chinese Characteristics* Ying Zhu, Kingsley Edney, Stanley Rosen, 2019-12-05 This book examines the Chinese Communist Party's attempts to improve China's image around the world thereby increasing its soft power This soft attractive form of power is crucial if China is to avoid provoking an international backlash against its growing military and economic might The volume focuses on the period since Xi Jinping came to power in 2012 and is global in scope examining the impact of Chinese policies from Hong Kong and Taiwan to Africa and South America The book explains debates over soft power within China and delves into case studies of important policy areas for China's global image campaign such as film news media and the Confucius Institutes The most comprehensive work of its kind the volume presents a picture of a Chinese leadership that has access to vast material resources and growing global influence but often struggles to convert these resources into genuine international affection With a foreword by Joseph Nye *Soft Power With Chinese Characteristics* will be invaluable to students and scholars of Chinese politics and Chinese media as well as international relations and world politics more generally
