JACKET **A Soldier's Son (Classic Reprint)** Maude Mary Butler, 2016-09-02 Excerpt from A Soldier's Son The war was over the cruel war and Father and Uncle Howard were on their way home Children's voices in every key of joy and thanksgiving sang the happy news from morning to night The white strained look faded from Mother's face and she became her Old bright self again Now that they were over the Children tried to forget how long and sad and weary the days had been during which the Sight Of the post bag and the morning newspaper almost took everyone's breath away until the columns of War news had been hastily scanned before taking letters and papers to Mother's room Then came the day when Uncle Howard's name was amongst the seriously wounded and there was a brief account Of how he had saved the guns and then returning into the firing line to pick up a wounded soldier had himself been dangerously wounded The children thought of Uncle Howard's delicate young motherless boy and sobbed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Marriage of Roman Soldiers (13 B.C. - A.D. 235)* Sara Elise Phang, 2021-10-05 In the first and second centuries A D Roman soldiers were forbidden legitimate marriage during service nevertheless many soldiers formed de facto marriages This book examines the legal social and cultural aspects of the marriage prohibition and soldiers families The first section covers the marriage prohibition in Roman literary and legal sources The second section treats social and legal aspects of the soldiers families including a survey of epitaphs the legal impact of the ban on families and alternatives to family formation The final section examines the marriage ban as military policy and its relation to Roman culture This book will be of interest to scholars of the Roman army Roman social history and family law Students of gender and sexuality in the ancient world will also find it relevant *Conscription and the Search for Modern Russian Jewry* Olga Litvak, 2006-12-06 Olga Litvak has written a book of astonishing originality and intellectual force In vivid prose she takes the reader on a journey through the Russian Jewish literary imagination Benjamin Nathans Russian Jews were first conscripted into the Imperial Russian army during the reign of Nicholas I in an effort to integrate them into the population of the Russian Empire Conscripted minors were to serve in practical terms for life Although this system was abandoned by his successor the conscription experience remained traumatic in the popular memory and gave rise to a large and continuing literature that often depicted Jewish soldiers as heroes This imaginative and intellectually ambitious book traces the conscription theme in novels and stories by some of the best known Russian Jewish writers such as Osip Rabinovich Judah Leib Gordon and Mendele Mokher Seforim as well as by relatively unknown writers Published with the generous support of the Koret Foundation [A Soldier's Son](#) Maude Mary Butler, 1912
