The Heavenly Jerusalem

"Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more. ¹ And I saw the holy city, new Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. ² And I heard a loud voice from the throne saying, 'Behold, the dwelling place of God is with men. He will dwell with them, and they will be his people, and God himself will be with them and be their God. ³ He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away.'" (Revelation 21:1-4)

Structure Of Luke Acts:

Stephen's Sermon and the Structure of Luke-Acts Delbert Leroy Wiens, 1995 In this insightful and thorough study intended for serious students of the New Testament Delbert Wiens analyses Stephen's Sermon in Acts 7 and points out not only that it is a basic outline of the gospel the good news which the disciples were to proclaim but that its literary structure is paralleled by the structures of both Luke and Acts Stephen argued that Israel's sacred history revealed the developmental stages of the Kingdom of God which was completed with the event of the Christ Luke and Acts present the life of Jesus and the Church in parallel stages As Luke promised Theophilus Luke 1:1-4 the significance of the deeds and words of Jesus are to be discovered in the structure of what Luke had written *Towards a positive understanding of the structure of Luke-Acts* Mike F. Nola, 1987

The Prophethood of All Believers Roger Stronstad, 1999-01-01 For centuries Christians have had the concept of the priesthood of all believers firmly engrained in their minds The prophethood of all believers on the other hand is so Stronstad believes the main focus of Spirit baptism in Luke Acts A landmark study in Lukan pneumatology this book is aimed at a mixed readership ranging from the scholar to the informed layperson The role of the Spirit in Luke is clearly portrayed in terms of vocational empowerment Traditionally Lukan pneumatology has been viewed through Pauline or Johannine spectacles but by interpreting Luke independently of the other Gospels and the epistles Stronstad has cogently argued for the historical and contemporary relevance of Spirit baptism He challenges the reader to develop a new appreciation of Luke's theology of the Holy Spirit and in fact to consider the role of the prophethood of all believers for today's world *The Blackwell Companion to The New Testament* David E. Aune, 2010-01-22 The Blackwell Companion to the New Testament is a detailed introduction to the New Testament written by more than 40 scholars from a variety of Christian denominations Treats the 27 books and letters of the New Testament systematically beginning with a review of current issues and concluding with an annotated bibliography Considers the historical social and cultural contexts in which the New Testament was produced exploring relevant linguistic and textual issues An international contributor list of over 40 scholars represent wide field expertise and a variety of Christian denominations Distinctive features include a unified treatment of Luke through Acts articles on the canonical Gospels and a discussion of the apocryphal New Testament

Lukan Theology in the Light of the Gospel's Literary Structure Douglas S. McComiskey, 2007-01-01 Numerous scholars have noted various elements of literary structure in the Gospel of Luke many of them patterned such as chiasm Several of these scholars have rigorously explored the significance of such structure A common conclusion is that if Luke is consistent with other ancient writers then the observation of some elements of patterned structure e.g. what has already been discovered in the Gospel suggests that there is probably considerably more This book offers a comprehensive literary structure for the Gospel of Luke thoroughly and critically evaluates it and

ultimately focuses on theology that may be derived from this structure As groundwork the Introduction provides rigorous tests for assessing the intentionality behind proposals of parallelism The first chapter then employs the tests in an evaluation of Robert C Tannehill s work on Luke Acts which is representative of studies on correspondences that are not strictly structural in nature His contribution enables us to grasp how Luke encourages the reader to read passages in the light of other passages within the Gospel and accordingly provides an interpretive aid for our study The second chapter applies the tests to the Lukan correspondences suggested by Charles H Talbert which are inherently structural His analysis of Luke Acts and other Greco Roman literature provides a strong theoretical foundation for our own proposal Chapter three surveys OT Greco Roman and NT texts that bear a similar patterned structure to what we discover in Luke The structure of Luke is presented and carefully evaluated in chapter four and the theological implications of that structure are developed in chapter five shedding much fresh light on Lukan theology

Studies in the Gospel of Luke Adelbert Denaux,2010 This volume offers a collection of Lukan studies by Adelbert Denaux whose preferred field of studies has been the Gospel of Luke for many years The thirteen papers collected in this volume have been delivered in different languages and on different occasions The papers deal with several aspects of Luke s Gospel structure Old Testament influence theology and christology Luke and Q language and style and individual passages Adelbert Denaux 1938 Professor emeritus New Testament at the K U Leuven is actually Dean of the Tilburg School of Theology the Netherlands 2007

The Gospel of Luke as Masterpiece Nico Riemersma,2023 This volume offers fifteen studies on the Gospel of Luke by Nico Riemersma who specialized in this gospel It contains both articles in which special pericopes from the Gospel of Luke are central Mary s visit to Elizabeth in Luke 1 39 56 the twelve year old Jesus in the temple in Luke 2 40 52 the baptism of Jesus in 3 21 23 and his testing in 4 1 13 the Fernheilung of a centurion s slave in 7 1 10 and the raising of a young man at Na n in 7 11 17 and studies on details in Luke 1 3 in Luke 2 49 in 7 14 and in 7 19 20 In addition there are thematic studies the parallelism between John and Jesus Elijah in relationship with John and Jesus the travelling motif in Luke Acts and articles with an eye for the structure of the overture 1 5 2 52 and of the whole book 1 1 24 53 Through close reading the book reveals Luke s high quality literary form and rich theological content This meticulous way of reading allows for a deeper understanding of the text giving this gospel extra shine This method is extremely helpful in solving text problems that the reader s will face

The Social World of Luke-Acts Jerome H. Neyrey,1991 Although the focus in this book is on Luke Acts the models and methods presented here can be employed with insight and profit for the interpretation of other New Testament documents Focussed on Luke Acts this volume can serve as a handbook which covers both the interpretation of a specific text and the presentation of an adequately broad historical critical method of interpretation

The Westminster Dictionary of New Testament and Early Christian Literature and Rhetoric David Edward Aune,2003-01-01 The Westminster Dictionary of New Testament and Early Christian Literature and Rhetoric details the variety of literary and rhetorical forms found in the New Testament and in

the literature of the early Christian church This authoritative reference source is a treasury for understanding the methods employed by New Testament and early Christian writers Aune's extensive study will be of immense value to scholars and all those interested in the ways literary and rhetorical forms were used and how they functioned in the early Christian world This unique and encyclopedic study will serve generations of scholars and students by illuminating the ways words shaped the consciousness of those who encountered Christian teachings The New Testament, an Introduction Norman Perrin, Dennis C. Rhetoric at the Boundaries Bruce W. Longenecker, 2005 In *Rhetoric at the Boundaries* Bruce W Longenecker explores the way in which New Testament authors used an ancient rhetorical device to effect smooth transitions both large and small His study demonstrates how recognition of this rhetorical technique proves decisive for New Testament interpretation Longenecker accomplishes this by examining the evidence for chain link interlocks in a variety of ancient sources including the Hebrew scriptures Jewish and Roman authors of the Graeco Roman world and the Graeco Roman rhetoricians He then applies the results of the survey to fifteen problematic passages of the New Testament In each case Longenecker establishes the presence of chain link interlock and highlights the structural literary and theological significance of the rhetorical device for New Testament interpretation **The Structure of Luke and Acts. [The Text A. Q. Morton, George Hogarth Carnaby Macgregor, 1964** *God's Glory in Salvation through Judgment* James M. Hamilton Jr., 2010-11-04 In Exodus 34 Moses asks to see God's glory and God reveals himself as a God who is merciful and just James Hamilton Jr contends that from this passage comes a biblical theology that unites the meta narrative of Scripture under one central theme God's glory in salvation through judgment Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Canaanites God was glorified through both his judgment and mercy accorded in salvation to Israel The New Testament unfolds the ultimate display of God's glory in justice and mercy as it was God's righteous judgment shown on the cross that brought us salvation God's glory in salvation through judgment will be shown at the end of time

when Christ returns to judge his enemies and save all who have called on his name Hamilton moves through the Bible book by book showing that there is one theological center to the whole Bible The volume s systematic method and scope make it a unique resource for pastors professors and students

New Testament Story David L. Barr,1987 The thesis of this book is that every New Testament writing stands within a story even if it does not tell stories The approach allows readers to view the documents as vital elements in the lives of real persons The book maintains its focus on bringing the writings alive and shows how critical study enhances understanding of their meanings Its prime goal is teaching students to read these writings for themselves bridging the chasms of language history and culture that separate them from us The latest methods of research are utilized in this quest but the focus always remains on the New Testament documents
