Now Is Your Time! Walter Dean Myers, 1992-01-30 History has made me an African American It is an Africa that I have come from and an America that I have helped to create Since they were first brought as captives to Virginia the people who would become African Americans have struggled for freedom Thousands fought for the rights of all Americans during the Revolutionary War and for their own rights during the Civil War On the battlefield through education and through their creative genius they have worked toward one goal that the rights of life liberty and the pursuit of happiness be denied no one Fired by the legacy of men and women like Abd al Rahman Ibrahima Ida B Wells and George Latimer the struggle continues today Here is African American history told through the stories of the people whose experiences have shaped and continue to shape the America in which we live

Towards Freedom Mushirul Hasan, Sabyasachi Bhattacharya, 2008 This volume part of the Towards Freedom series contains primary sources and archival documents related to the year 1939 The first part which has now been published systematically covered in four chapters different aspects of the history of British the governments of the 1937 elections the role of India in World War II the role of Congress or the State People s Conference and the developments in Princely India This second part covers the other political developments of the fundamental to the year 1939 the workers struggles and strikes in different parts of India elections to various congress committees activities of the Left parties organizations and blocks and the communal and sectarian politics of the time In the introduction to the volume Mushirul Hasan provides the context of this part of the volume and provides the
