history projects slide shows films and local exhibits and assesses its attempts to reach such diverse constituents as workers ethnic groups women and gays Of essential interest to students of history Presenting the Past also explains to the general reader how Americans have come to view themselves their ancestors and their heritage through the influence of mass media popular culture and public history Author note Susan Porter Benson is Associate Professor and Chair of History at Bristol Community College in Massachusetts Stephen Brier is Director of the American Social History Project and Senior Research Scholar at the Graduate Center City University of New York Roy Rosenzweig is Associate Professor of History and Director of the Oral History Program at George Mason University in Virginia
