The Hope Within:

The Hope Within Tracie Peterson, 2005-03 Tragedy may tear the Selby family apart in this riveting conclusion to Tracie Peterson's wonderful and bestselling Montana saga **The Hope Within (Heirs of Montana Book #4)** Tracie Peterson, 2005-03-01 1886 Montana stands on the brink of statehood and Dianne Selby finds her world turned upside down. Cole takes her and the children to Kansas to care for his dying father, but after the funeral, Cole's mother insists he stay and take over his inheritance. Unable to deal with her mother-in-law's cruel treatment, Dianne takes the children back to Montana alone. There, blizzards devastate the area, trapping a now pregnant Dianne at the ranch. Through the twists and turns of life and nature, Dianne comes to realize that the hope within Jesus Christ is the only hope that lasts. Book 4 of the bestselling Heirs of Montana [The True Story of The Hope Within](#) Carol Wellwood, 2021-06-03 The True Story of the Hope Within is an inspirational Christian book from the state of Georgia by author Carol Wellwood, emphasizing the importance of having a positive relationship with God. If you're looking for a book for overall encouragement, this is the perfect book for you.

Reason for the Hope Within Michael J. Murray, 1998-12-28 During the last two decades, there has been a renaissance in the field of Christian philosophy. Unfortunately, most of this excellent work has not reached general readers. Reason for the Hope Within was produced specifically to make available the best of contemporary Christian philosophy in a clear, accessible, and highly relevant manner. Fourteen of America's rising Christian philosophers cover many of the traditional themes of Christian apologetics, as well as topics of special relevance to today's world: the problem of evil, the possibility of miracles, the existence of heaven and hell, Eastern religions, Religion and science, Christianity and ethics. Reason for the Hope Within provides readers with the most up-to-date resources for thinking about and defending the Christian faith. Contributors: Douglas Blount, Robin Collins, J. A. Cover, William C. Davis, Scott A. Davison, Daniel Howard Snyder, Frances Howard Snyder, Trenton Merricks, Caleb Miller, Michael J. Murray, Timothy O'Connor, John O'Leary, Hawthorn Thomas, D. Senor, W. Christopher Stewart. **The True Story of the Hope Within** Carol Wellwood, 2012 Wellwood was a throwaway all her life. It seemed everything she did was wrong all the time. Going around in circles and not knowing where to go, she went through life alone and weary, not until she made a choice. In The True Story of the Hope Within, Wellwood speaks of how she was able to gain strength to carry on through the darkest days and how she finally found home through God. When you read this testimony to what God has done in my life, I want you to think about your situations and how, if you gave Him a chance, what He could do for you. When you read this, just keep your mind open and know that it is the truth, and if God could do this for me, how much more could He do for you. Wellwood's poetic prowess also shines throughout the pages of The True Story of the Hope Within. Standing out from the rest of autobiographical books, this illuminating and moving narrative is at turns candid and conversational. Such honesty makes it easy for readers to relate with the author, what they have went through. With positivity sprinkled throughout the pages, The True Story of the Hope Within is truly a gem worth keeping in every reader's shelves.
