J. Middagh,2019-01-10 JOY PRIDE TRIUMPH AND TRAGEDY All through life we experience a multitude of events that change us and alter the course of our story Sometimes those events are planned other times they happen to us with little if any explanation at all How does God use our experiences to reveal the purpose he has for our lives In *The Master's Key* you will be challenged to reflect on the pain and joy of your life and consider how God has used those very experiences to reveal his purpose and plan both for you and for his people From Moses to Paul and from David to Jesus the biblical accounts of these people demonstrate to us how God uses our experiences to forge each of us into becoming the key to unlocking God s purpose for our lives As individuals we are capable of amazing things and as such through our trials and our experience we become keys to open more opportunities Explore triumphs and tragedies of God s people and how their journeys can mirror our own as we get closer to becoming keys for God s purpose or in this case the Master s Key
