Welcome to the Mentor Handbook

Mentoring isn't just about sharing what you know.

It's about showing up, building trust, and helping someone else grow, while growing in the process yourself.

This handbook is your starting point, your sidebar, and your guide. Inside, you'll find everything you need to feel prepared and confident in your role as a mentor.

From setting expectations to offering meaningful feedback, from navigating sticky moments to celebrating wins, it's all here.

You don't have to be perfect to be a great mentor. Just present, curious, and willing to support someone on their journey.

Let's help you do exactly that.
