Charles Todd

The Middle Of Nowhere:

The Middle of Everywhere Mary Pipher, 2003 The New York Times's best selling author of *Reviving Ophelia* Mary Pipher connects us with our greater family the human family Over the past decade Mary Pipher has been a great source of wisdom helping us to better understand our family members Now she connects us with the newest members of the American family refugees In cities all over the country refugees arrive daily Lost Boys from Sudan survivors from Kosovo families fleeing Afghanistan and Vietnam they come with nothing but the hope and desire to experience the American dream Their endurance in the face of tragedy and their ability to hold on to the virtues of family love and joy are a lesson for all Americans Their stories will make you laugh and weep and give you a deeper understanding of the wider world in which we live *The Middle of Everywhere* moves beyond the headlines into the homes of refugees from around the world Working as a cultural broker teacher and therapist Mary Pipher has once again opened our eyes and our hearts to those with whom we share the future

The Middle of Everything Michelle Herman, 2005-01-01 A memoir from the front lines of motherhood by a longtime writer of fiction *The Middle of Everything* weaves a daughter's memories of her Brooklyn childhood in the 1950s and 1960s and the shadow cast on it by her own young mother's paralyzing depression with a middle aged woman's account of trying to break her mother's mold by meeting her own child's every need

The Middle of Everywhere Ray Petersen, 2012-09-06 One man's affliction is another's gift and Kenny Hopewell's special gift is a terrible memory and virtually no sense of direction Entrusted by a family friend to deliver a plea for help that might keep his hometown mill from closing Kenny misses his ride and sets out on foot across an isolated rural area between Lake Ontario and the Adirondacks Along the way he meets and comes to terms with some of the denizens of this lonely landscape the Casimir family who survive on the outskirts of the law Johnny Percy a Vietnam veteran still defending his family's abandoned homestead and Gunnar Molshoc a well driller and witcher refugees like him from the decay of rural America in the 1980s Meanwhile several characters at the local college are struggling to define the college's role in the mill fight and to rescue the soul of higher education John Harlan is an instructor attempting to write a meaningful dissertation that won't threaten his chances at tenure Ernest Guppy's notion of himself as a political comic is driving his wife off the deep end and college president Baxter McAdam and his administrative vice president are locked in a withering campaign to force each other out of power The novel's setting a fictional county in upstate New York is like a braided rug smooth on the top all knots underneath Chained to a dying farm economy and losing its youth to greener pastures it's the sort of place where refugees from Brooklyn might live next to Amish farmers who might live next to Italian millworkers who might live next to a bigot whose house was once a stop on the Underground Railroad Like so many rural American communities it has the feel of a self-inflicted wound and as Kenny comes to understand sometimes you have to feel pain just to know you're still alive
