A family of six from a small desert community in the U.S. travels to China to escort their niece to her parents, who are attending Peking University. What follows is a series of adventures, including being targeted by a spy from the Central Communist Government, assisting in a disaster that makes them heroic in the whole country, and encountering an earthquake and a tidal wave that may jeopardize their lives. *My First Impression of China* Wendy Liu, 2014. Praise for *My First Impression of China*: Today, the sense of distance between China and the U.S. has greatly diminished. We remain different societies with at least partially different values and expectations, with each country's citizens feeling pride in their national accomplishments, and each government looking on the other with what appears to be growing concern and perhaps fear. But these accounts by Washingtonians highlight that that is not all there is to the relationship between the United States and China. And perhaps these recollections tell us that governmental concerns are the least important aspect of the ties between our two countries. David Bachman, Professor

University of Washington The year 2014 marks the thirty fifth anniversary of the normalization of the diplomatic relations between the United States and China Author Wendy Liu chose to honor that relationship by compiling thirty five essays that detail some Americans first impressions of their trip to China My First Impression of China presents reflections from a group of prominent Washingtonians including those who established the Washington Sichuan friendship state relationship and the Seattle Chongqing sister city relationship Their first trips to China took place from 1973 to 2008 covering the time the two countries cautiously opened liaison offices in each other s capitals to the time of the Beijing Olympics My First Impression of China provides insight into the changes in American attitudes toward China as well as changes in China s political cultural and technological landscape *China* Sir Robert Kennaway Douglas,1906 **A Trip to China** Chih-p'ing Chou,Zhiping Zhou,Der-lin Chao,Chen Gao,2011-11-13 Parallel title with statements of responsibility in Chinese characters *Private Diary of Robert Dollar on his Recent Visits to China*.
