## What Is Normal:

*So, What Is Normal?* Georgina Wilfred, 2011-06-28 Georgie's humorous portrayal of her life as a single parent raising two children one with Asperger's Syndrome, autism, and her fight to get her son's diagnosis, battling with smug educationalists who insisted the child was just lazy. How, after a long uphill struggle to get help and recognition, finding every cloud has a silver lining when Nicky is diagnosed as bordering on genius. She later goes on to discuss his bizarre behaviour, his humour and eccentricities. Digging deeper into the family for a possible genetic hereditary link. Georgie's humorous look at her colourful family and friends, not to mention thieving ex-husbands, cheating boyfriends, no one is excluded. Even Ellwood Blues, the dog that ran off with her Xmas turkey and disgraced himself. Told in Georgie's northern gritty humour, this is a refreshingly honest account of her life so far and the rollercoaster of emotion she'd found herself on.

**What Is Normal Now?** Gloria Colli Counsellor, 2021-03-16 Earlier this year I went about my business as usual as did most of my fellow Americans. Then 2020 COVID-19 pandemic gripped our country and the nightmare began. The nightmare was particularly frightening to our senior citizen/elder population. Also targeted were people with autoimmune disease and preexisting conditions. All Americans had our freedoms and liberties taken away in the blink of an eye, our faith was challenged, our schools were closed, and businesses shut down indefinitely. We lost all sense of normalcy. It was mind-boggling. I was inspired to write about the different challenges we were facing, and the idea wouldn't leave me until I began writing. This is my account of the 2020 COVID-19 pandemic from my perspective as a senior citizen labeled as the most vulnerable.
