What Jesus Did:

What Jesus Did Robert D. Prescott-Ezickson, 2004 The acronym WWJD What would Jesus do has become a popular device for making ethical and moral decisions and evaluating how we should act in a wide range of situations But this seemingly ubiquitous slogan has also been used to trivialize Jesus and use his name to endorse some activity or product Now we also hear questions like What would Jesus eat What would Jesus wear What would Jesus drive Enough already If you want to consider this question seriously then the best way to find the answer to WWJD is to investigate what Jesus actually did while he was here on earth Jesus Christ was a real man who lived in a real time and a real place and his words and deeds are recorded in the four Gospels Once we carefully study the Gospels and become familiar with what Jesus did then we will be in a better position to discern what Jesus would do now What Jesus Did is an in depth look at the life of Jesus including his birth his parables his miracles his sayings his death and his resurrection The unique format of this study guide makes it an excellent resource for a preaching series Sunday School lessons group Bible study or personal devotional reading Each chapter is built around a series of questions to help you gain deeper meaning and insight from the scriptures And because Jesus expects us to turn learning into doing and live according to his example each chapter also includes a WWJD action step for applying his teachings in our daily lives In fresh language that brings the sayings and saving activities of Jesus into the world of the third millennium Prescott Ezickson shares Bible studies with emotional impact on the classic motivation for Christian living What would Jesus do Robert T Coote Former Associate Director Overseas Ministries Study Center New Haven Connecticut Robert D Prescott Ezickson is senior pastor of First Baptist Church in Meriden Connecticut He is a graduate M Div and Ph D of Southern Baptist Theological Seminary in Louisville Kentucky and has previously pastored churches in Indiana New Jersey and Connecticut He has also been an adjunct professor of religion at Central Connecticut State University Prescott Ezickson has served as president of the Minister s Council for American Baptist Churches of Connecticut moderator of the South Central Association and president of the Meriden Clergy Association He is the author of God Has A Plan For You CSS [What Jesus Did](#) ,1937 **What Did Jesus Do?** Michael L. Lindvall, 2006 Although one third of people today consider themselves Christians and millions of words have been written about the meaning of Jesus many of Christ s followers don t know the basic facts of His life the parables He taught the miracles He performed and the remarkable circumstances surrounding both His birth and His death Using the four Gospels Matthew Mark Luke and John as his primary source material minister and author Michael Lindvall not only lays out the rough chronology of Jesus life but he places it within a rich historical context and reveals the major influences that directly affected the early tellings of Christ s story This is an invaluable reference for anyone of any religious persuasion who wants to understand this most important and influential figure [What Jesus Did for Me](#) Yvonne John, 2011-12-27 What Jesus Did For Me is the title of my book and the very first poem I wrote I went through a period of depression brought on by tormenting voices in my head At the time most of

the people around me associated the depression with Seasonal Affective Disorder S A D as it mainly seemed to affect me during the winter months It wasnt until I became a Born Again Christian that I discovered that the problem was actually spiritual During the time that I suffered from depression I lost all my confidence and self esteem I had no hope I became nervous and fearful and I wanted to give up and die The voices made me believe that I was no good I was useless but most of all that I was a wicked and bad person I got to a point where I didnt recognise myself anymore I had always considered myself to be good person reliable dependable kind thoughtful and caring Suddenly I was told I was somebody different This became too much for me to bear Even worse the voices told me that God would reject me He would never love me and He would turn me away if I went to Him Being raised as a Catholic I believed that God loved everyone so I was absolutely devastated when I believed that I was not good enough to be loved by God Eight months after becoming Born Again the Holy Spirit would visit me during the early hours of the morning He would minister words of peace and comfort to me This brought healing to my pain I now feel safe secure and significant I now know that I have purpose to my life My poems seek to edify encourage and inspire other readers and to let them know that Jesus not only changes lives but He also heals brings peace joy hope and comfort into our lives My book is written in a poetic style My poems depict my journey to salvation and illustrate how I have grown and matured in Christ As you read through my poems you will experience the sense of new hope strength and joy that God has given me through having a relationship with Jesus Christ Every one of my poems was Holy Spirit inspired to bring comfort and healing but many of them also serve as words of wisdom warning direction and praise They also show how God inhabits the praises of His people and how ones praise can completely change your circumstances around Allow the Holy Spirit to minister to you as He ministered to me as you read through the pages of *What Jesus Did For Me* Doing What Jesus Did John Decker, Sonja Decker, 2015 But be doers of the word and not hearers only James 1 22 nkjv *Doing What Jesus Did* invites you to learn how to move into the supernatural realm that Jesus said in John 14 12 14 we could and should enter Husband and wife authors John and Sonja Decker will equip you to minister in the way Jesus invited us to including miracles by teaching you His six essential strategies for effective discipleship Leading people to Christ Leading Christians into the Holy Spirit baptism Learning how to heal the sick Hearing from God Healing the sick by revelation Dealing with demons Much more than a handbook of New Testament principles *Doing What Jesus Did* will be a catalyst for you to love Jesus more deeply as you minister His life love and power more dynamically *What Jesus Did* Jean Rees, 1979 Doing What Jesus Did John Decker, Sonja Decker, 2015-10-06 But be doers of the word and not hearers only James 1 22 nkjv *Doing What Jesus Did* invites you to learn how to move into the supernatural realm that Jesus said in John 14 12 14 we could and should enter Husband and wife authors John and Sonja Decker will equip you to minister in the way Jesus invited us to including miracles by teaching you His six essential strategies for effective discipleship Leading people to Christ Leading Christians into the Holy Spirit baptism Learning how to heal the sick Hearing from God Healing the sick by

Scott Spencer,2003-08-01 What Would Jesus Do is a popular phrase in Christian circles but answers to that question might be more on target if we spent more time exploring as Scott Spencer has What Did Jesus Do Spencer examines both the Synoptics and the Gospel of John as he tries to catch a wide angled vision of Jesus behavior in the gospels Rather than focus on sayings or pronouncements as an authoritative code of conduct he studies Jesus deeds or actions as keys to his identity and vocation While not ignoring Jesus teaching this study is more interested in discovering how Jesus personally lived up to his own moral instruction his personal conduct Chapters are devoted to Jesus actions with respect to his family his friends his body his possessions his work his reputation and the environment Spencer suggests paths and pitfalls for relating Jesus personal conduct to individual behavior how we might move from what Jesus did in the New Testament to what we should do today F Scott Spencer is Professor of New Testament at Baptist Theological Seminary at Richmond Virginia and is the author of *The Portrait of Philip in Acts A Study of Roles and Relations and Acts* He is the Chair of the New Testament section for the Southeastern Commission for the Study of Religion **Dwjd** Dwayne Clemmons,2015-05-08 Imagine being arrested by the police and charged with crimes against society because you went around saying you could Do What Jesus Did Never before in history has there been such an enormous need for people to not only make this claim but demonstrate His power This book is a powerful presentation of the evidence presented from the Bible in the form of testimony given by God You will be challenged in every chapter and in the end you will have to render a verdict If you were charged with being a Christian could you be found guilty by a preponderance of the evidence Read this book and learn how *What Jesus Did* Scripture Union,Colin Smithson,2003-01-01 This much needed resource for young people with moderate learning difficulties gives a simple and clear presentation of who Jesus is and what he did **Was Jesus of Nazareth the Messiah?
