Women in Class Society Heleieth I.B. Saffioti, 1978 Oorspr titel A mulher na sociedade de classes **Class Society and the Struggle for Women's Rights** Peter Boychuk, 1983 **School & Society** James McKeen Cattell, Will Carson Ryan, Raymond Walters, 1917 *School and Society*, 1918 **Social Stratification in an Aging Society with Low Fertility** Sawako Shirahase, 2022-08-31 This edited book empirically discusses stratification in contemporary Japanese society It is unique for its examination of social inequality in relation to declining fertility and an aging population Japan is the most aged society in the world according to the Statistics Bureau of Japan people who are aged 65 and above comprised 29 1% of the country s total population in 2021 Meanwhile the fertility rate has continuously declined since the mid 1970s Japan experienced a dramatic change in its demographic structure in a short period of time Such fast change could be a major factor that generated social stratification In her industrialization Japan was thought to share a pattern of social stratification similar to that of developed European and North American countries but with a low degree of socio economic inequality and a high degree of homogeneity There is no clear support for this description of Japan although the country does share a pattern and degree of social stratification similar to that observed in Europe and North America The social stratification theory has been developed in close relationship to the labor market however it is necessary to further examine the social stratification of very aged societies in which a substantial number of the population namely retired persons no longer have any ties to the labor market In this book the contributors explore the pattern of social stratification at three life stages young middle aged and elderly Included are discussions of various aspects of stratification such as education work wealth marriage family gender generation and social attitudes **School and Society** James McKeen Cattell, Raymond Walters, 1921 [Annual Report](#) Presbyterian Church in the U.S. Executive Committee of Christian Education and Ministerial Relief, 1923 [Annual Report of the Missionary Society of the Methodist Episcopal Church](#) Methodist Episcopal Church.
