Auger,2023-03-20 Arthur E Waite and artist Pamela Colman Smith s Rider Waite Tarot 1909 is the most popular Tarot in the world Today it is affectionately referred to as the Rider Waite Smith Tarot in recognition of the high quality of Smith s

contributions Waite and Smith's deck has become the gold standard for identifying and analyzing contemporary Tarot and other meditation decks based on archetypes. Developments in both visual and literary history and theory have influenced Tarot since its fifteenth century invention as a game and subsequent adaptations for esotericism, cartomancy and meditation. This analysis considers Tarot in relation to established modern and postmodern art movements such as Symbolism, Surrealism and Pattern and Decoration Art as well as the concepts and theories informing both the dominance and the dissolution of the modernist grid and hierarchical priorities. This work also explores the close connection between Tarot and the invention of the literary novel and includes new material on the representation of Tarot in film and fiction. A new chapter addresses the growing influence of the archetypal shadow and shadow work on Tarot as an artistic form, narrative genre and practice in the new millennium.

The Realized Idiot Bruno Martin, 2015-01-21. Becoming an Idiot. Everyone who decides to work on himself is an idiot in both meanings. The wise know that he is seeking reality. The foolish think he has taken leave of his senses. John G. Bennett says: The famous life teacher and philosopher G. I. Gurdjieff (1866-1949) taught his developmental psychology for thirty years during daily ritual meals. In this book, this special teaching gets published for the first time and is explained in a contemporary way. The Science of Idiotism puts out a challenge for those who are striving to get to the bottom of their own being for those who want to become an Idiot in the original sense and step up the ladder of reason as Gurdjieff puts it. Bruno Martin found a key for interpreting the metaphorical descriptions of the 21 types of Idiots Gurdjieff used in the old Tarot of Marseilles and compares both teachings. Teaching stories from Sufism and Zen are further illustrating the meanings. Written in an inspiring and entertaining way, the book gives an introduction in Gurdjieff's artful psychology and also instructions for conducting a ritual meal with the toasts on the Idiots which can help to win new insights into the essence of the participants.
