## Us Postal Service:

The U.S. Postal Service Margaret Uphall, 2017-07-15 Today many people regard the postal service as an outdated method of notification. However, the U.S. postal service is the only delivery service that reaches every address in the United States. The U.S. Constitution officially established this important institution, which traces its roots back to the Second Continental Congress in 1775. Without the postal service, many people would not be able to receive necessary correspondence. This book explores the history of the U.S. Postal Service and the role of this institution, which is vital to American daily life. Full color photographs and a graphic organizer provide students with the tools necessary to make connections beyond the text.

**Saving the Mail** R. Richard Geddes, Rick Geddes, 2003 A comprehensive overview of the U.S. Postal Service, its organization, and its performance since its creation by the 1970 Postal Reorganization Act. U.S. Postal Service, 1985

*U.S. Postal Service: Delivery Performance Standards, Measurement, & Reporting Need Improvement*, 2006 U.S. Postal Service USPS needs to clearly communicate how postal services may be affected by its retail optimization plans: report to the Chairman, Committee on Governmental Affairs, U.S. Senate. , U. S. Postal Service Phillip Herr, 2011-05 The U.S. Postal Service's USPS financial condition and outlook are deteriorating because revenues are not sufficient to cover its expenses and financial obligations. These challenges continue to threaten USPS's financial viability. USPS also faces cost pressures from maintaining a national network of processing, retail, and delivery operations. This testimony discusses 1) updated information on USPS's financial condition and outlook and 2) actions needed to modernize and restructure USPS. Charts and tables. This is a print-on-demand edition of an important, hard-to-find publication. *Monopoly Mail* Douglas Adie, 2017-09-29 First class postage rates have risen from six cents in 1971 to 25 cents in 1988. This rapid increase might be justifiable if service had improved commensurately, but in fact, postal service has steadily deteriorated. The Postal Service concedes that it takes ten percent longer to deliver a first class letter than it did in the 1960s, and one recent postmaster general admits that delivery may have been more reliable in the 1920s. In this volume, Adie reviews the failures of the U.S. Postal Service: an inability to innovate, soaring labor costs, huge deficits, chronic inefficiency, and declining service standards. He blames most of these problems on the postal service's monopoly status. Competition produces efficiency and innovation; monopoly breeds inefficiency, high costs, and stagnation. He also examines the experiences of other countries and other industries that may be valuable in prescribing reform for the postal service. The breakup of AT&T provides lessons that may be applied to postal reform. The long-run effects of deregulation on the airline industry are also examined. Since the postal service has serious union problems, Adie looks at the air traffic controllers strike and other evidence on pay and labor relations in government unions. Finally, Adie examines the experiences of Canada and Great Britain with privatization of government companies. He then offers a comprehensive and controversial reform plan for the U.S. Postal Service with no further monopoly privileges or taxpayer subsidies. He argues that private companies should be free to compete with the

Postal Service and it in turn should be free to compete in all phases of the communications business Without privatization and deregulation the Postal Service is doomed to continuing inefficiency rising costs worsening labor relations and an increasing loss of customers to more innovative and efficient service providers Competition would give the Postal Service a chance to enter the 21st ce

**U.S. Postal Service's Government Revenue and Examination Branch** United States. Congress. House. Committee on Government Operations. Subcommittee on Government Information and Individual Rights,1982

**The Postal Service Guide to U.S. Stamps 27th Ed.** United States Postal Service,2000-10-24 Special delivery from the United States Postal Service The definitive guide to every U S stamp issued from 1847 to the present The only fully illustrated four color guide to U S stamps this official publication provides the most comprehensive information available about the U S stamp program and its vivid history Commencing with the first stamps released in 1847 The Postal Service Guide to U S Stamps includes every stamp issued up to the present nearly 4 000 entries as well as Coverage of every category of U S stamp definitive commemorative airmail special delivery duck stamps stamped envelopes and more all organized into easy to use color coded sections for quick access Detailed listings for each stamp with color illustrations Scott catalog numbers descriptions dates of issue used and unused prices quantities issued when known and separate listings for design variations A complete guide to the new 2000 commemorative stamp program How to get started collecting with everything you need to know from advice on assessing the condition and value of your stamps to organizing displaying and preserving your collection A resource section listing philatelic organizations publications museums and official philatelic centers in every state A glossary of important terms And much more

*U. S. Postal Service* DIANE Publishing Company,1996-05 Reports on the Postal Services s authority and responsibility for delivering and receiving international mail the competition for international mail delivery including any Postal Service plans and actions to increase its competitiveness and legal or regulatory issues arising out of the competition for the delivery of international mail services Charts tables and graphs

*Neither Snow Nor Rain* Devin Leonard,2016-05-03 The book makes you care what happens to its main protagonist the U S Postal Service itself And as such it leaves you at the end in suspense USA Today Founded by Benjamin Franklin the United States Postal Service was the information network that bound far flung Americans together and yet it is slowly vanishing Critics say it is slow and archaic Mail volume is down The workforce is shrinking Post offices are closing In *Neither Snow Nor Rain* journalist Devin Leonard tackles the fascinating centuries long history of the USPS from the first letter carriers through Franklin s days when postmasters worked out of their homes and post roads cut new paths through the wilderness Under Andrew Jackson the post office was molded into a vast patronage machine and by the 1870s over seventy percent of federal employees were postal workers As the country boomed USPS aggressively developed new technology from mobile post offices on railroads and airmail service to mechanical sorting machines and optical character readers *Neither Snow Nor Rain* is a rich multifaceted history full of remarkable characters from the stamp collecting FDR to the

revolutionaries who challenged USPS's monopoly on mail to the renegade union members who brought the system and the country to a halt in the 1970s. Delectably readable Leonard's account offers surprises on almost every other page and delivers both the triumphs and travails with clarity, wit, and heart. Chicago Tribune

**Oversight Hearing of the U.S. Postal Service** United States. Congress. House. Committee on Government Reform. Subcommittee on the Postal Service, 2001

First Class Christopher W. Shaw, 2021-11-09 Investigating the essential role that the postal system plays in American democracy and how the corporate sector has attempted to destroy it. With First Class: The U.S. Postal Service Democracy and the Corporate Threat, Christopher Shaw makes a brilliant case for polishing the USPS up and letting it shine in the 21st century. John Nichols, national affairs correspondent for The Nation and author of Coronavirus Criminals and Pandemic Profiteers, Accountability for Those Who Caused the Crisis. First Class is essential reading for all postal workers and for our allies who seek to defend and strengthen our public Postal Service. Mark Dimondstein, President American Postal Workers Union AFL-CIO. The fight over the future of the U.S. Postal Service is on. For years, corporate interests and political ideologues have pushed to remake the USPS, turning it from a public institution into a private business, and now, with mail in voting playing a key role in local, state, and federal elections, the attacks have escalated. Leadership at the USPS has been handed over to special interests whose plan for the future includes higher postage costs, slower delivery times, and fewer post offices—policies that will inevitably weaken this invaluable public service and source of employment. Despite the general shift to digital communication, the vast majority of the American people and small businesses still rely heavily on the U.S. postal system, and many are rallying to defend it. First Class brings readers to the front lines of the struggle, explaining the various forces at work for and against a strong postal system and presenting reasonable ideas for strengthening and expanding its capacity, services, and workforce. Emphasizing the essential role the USPS has played ever since Benjamin Franklin served as our first Postmaster General, author Christopher Shaw warns of the consequences for the country and for our democracy if we don't win this fight. Praise for First Class: Piece by piece, an essential national infrastructure is being dismantled without our consent. Shaw makes an eloquent case for why the post office is worth saving and why, for the sake of American democracy, it must be saved. Steve Hutkins, founder, editor of Save the Post Office, and Professor of English at New York University. The USPS is essential for a democratic American society. Thank goodness we have this new book from Christopher W. Shaw explaining why. Danny Caine, author of Save the USPS and owner of the Raven Book Store. Lawrence K.S. Shaw's excellent analysis of the Postal Service and its vital role in American Democracy couldn't be more timely. First Class should serve as a clarion call for Americans to halt the dismantling and to instead preserve and enhance the institution that can bind the nation together. Ruth Y. Goldway, Retired Chair and Commissioner, U.S. Postal Regulatory Commission, responsible for the Forever Stamps. In a time of community fracture and corporate predation, Shaw argues a first-class post office of the future can bring communities together and offer exploitation-free banking and other services. Robert Weissman, president of Public

Citizen **Ridge V. United States Postal Service, National Association of Letter Carriers, AFL-CIO** ,1992 **U.S. Postal Service** United States. Government Accountability Office,2004 Post Office Department and U.S. Postal Service Reorganizations United States Postal Service. Operating Policies Office,1976 *Monthly Catalog of United States Government Publications* ,1984 **Monthly Catalogue, United States Public Documents** ,1990 **Labor and Politics in the U.S. Postal Service** Vern K. Baxter,2013-06-29 Labor and Politics in the U S Postal Service grew out of concern for the way a large public organization does its work It reflects my effort to link experience working as a letter carrier and mail collector with subsequent years of study in the field of organizational sociology The final product is an academic book that certainly reveals great distance from experience in the postal workplace but I must confess that the book still presents more a view from the bottom than a view from the top of the post office I hope this view proves beneficial It turns out that studying the post office has become an ongoing project that has outlived several jobs relationships and hairlines What originated as a historical study of the 1970 reorganization became an analysis of the causes and consequences of an ongoing process of restructuring and technological change in the post office Fortunately for me similar restructurings have recently occurred in organizations and industries across the nation and around the world The competitive pressures new technologies and political and class based conflicts discussed in this book are perhaps more relevant today than they were in the late 1970s when I began research on the post office **U.s. Postal Service** United States Government Accountability Office,2017-09-08 The U S Postal Service USPS is facing significant financial problems as mail volume is declining 4 5 percent in fiscal year 2008 and 11 percent projected for fiscal year 2009 USPS lost 2 8 billion in fiscal year 2008 and projects a 6 4 billion loss in fiscal year 2009 possibly more if it cannot cut an ambitious 5 9 billion in costs As one way to cut costs USPS is trying to improve the efficiency of mail delivery which generates close to one third of USPS s 78 billion in expenses Recognizing the sizeable impact of delivery on USPS s finances and operations you requested a GAO review This report addresses 1 how USPS monitors delivery efficiency 2 characteristics of delivery units that affect their efficiency and 3 the status and results of USPS s actions to improve delivery efficiency in particular USPS s Flats Sequencing System FSS To address these objectives GAO interviewed stakeholders and USPS officials reviewed delivery documentation conducted fieldwork and analyzed delivery data

## **Us Postal Service Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Us Postal Service free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Us Postal Service free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Us Postal Service free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Us Postal Service. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source

before downloading Us Postal Service any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Us Postal Service Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Us Postal Service is one of the best book in our library for free trial. We provide copy of Us Postal Service in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Us Postal Service. Where to download Us Postal Service online for free? Are you looking for Us Postal Service PDF? This is definitely going to save you time and cash in something you should think about.
