I. VanderSluis,2002-09 The setting of the story takes place in the mysterious and magical city of New Orleans An overwhelmed homicide detective hooks up with a rookie detective assigned to investigate minor thefts The first case assigned to the rookie detective is a theft of two flowerpots from a cemetery The rookie apprehensive of his investigative knowledge solicits help from the seasoned homicide detective The case quickly evolves from a pair of plundered flowerpots to a million dollar operation involving several owners of the City s most exquisite and prominent antique shops Together the two become hopelessly lost in some of the city s most majestic burial grounds known as the world famous Cities of the Dead During the investigation the two detectives begin to notice several strange and unexplainable coincidences that seem to guide their every move After some time they manage to put aside their macho police attitudes and learn to accept the fact that they were catapulted into the realm of the spiritual world and the supernatural The wacky and zany antics by the rookie and the straightforward nature of the homicide detective make for an unusual but most effective crime fighting partnership And just when the two detectives thought they had pushed the investigation to the limit the case explodes and leads them directly into a morbid voodoo serial murder plot of millennial proportions Finally the investigation reveals a suspect who is linked in the disappearance of the homicide detective s missing sister from when he was a child In the end the two detectives accept and understand the reasons for the spiritual interventions As a result hundreds of Lost Souls in the Cities of the Dead were freed from their torment and the demons were finally revealed in a tremendous battle between the powers of good and evil But at what cost Although the story is fictional it is inspired from a true life investigation involving the two detectives who authored this story It is a spin off of certain events concerning the theft of stolen cemetery artifacts We leave it totally up to the reader to decipher the fictional occurrences and any similarities to persons or parties involved with the actual investigation are totally coincidental and unintentional *The ultimate casuena electric wine opener USER GUIDE* user,2026-01-31 Unlock the Perfect Pour Master Your Casuena Electric Wine Opener Like a Pro Whether you re hosting a dinner party enjoying a quiet night in or gifting the wine lover in your life your Casuena Electric Wine Opener is meant to deliver more than just convenience it should offer an experience This comprehensive easy to follow guide is your essential companion to getting every drop of value from your device Inside you ll find everything you need to maximize performance maintain your opener with ease troubleshoot like a pro and impress guests with your seamless wine opening skills From first time users to seasoned sippers this guide walks you through setup charging operation cleaning safety tips
