Worker Rights Growth Amelia Khatri, AI, 2025-02-18 *Worker Rights Growth* explores the extensive history of employee protections from early labor movements to today's complex employment law. It examines how landmark legal decisions and persistent advocacy shaped workplace policies, highlighting the ongoing journey toward fair labor practices and social justice. Readers will discover how industrialization and the rise of labor movements laid the foundation for current employment rights and the legal frameworks designed to protect them.
