of the world wealthy and more powerful than most in her position but it's because of years of playing Luc's games learning how to work the system that has led her to be this way Nothing can stop her now when she is so close to being truly happy That was until Mr Casella showed up from an organization called the Guardsmen holding all the keys to unraveling the web of lies she lived on Now it is a race against time as Devryne relives the horrible past the lessons she learned in blood trying to find a way to get out of being brought to justice for the death of her sire Will she find a way out of the trouble she's gotten into without the help of Luc or will she have to make another deal like so many that has led her to be The Devil's Angel

the humans who need help He develops love for mankind and sometimes forgives them for their sins He also searches for his father Damian by gathering information from crime scenes of demons The Devil Angel puts together his own team to assist him in his search for his father and his follower demons while the churches corporate businesses and governments around the world seek his help in getting rid of the bad people here on Earth He is basically a hit man for these organizations They offer him donations in return for his delivering death certificates to these individuals These donations go to the starving children of God s people and helping other people in need The Devil Angel gives all of his earnings back to God s people For a while he cleans up the world by fighting against evil While he is fighting against evil kind he sees that not only bad people on Earth but good people as well become sinners by falling prey to greed lust egotism competition and corruption He discovers that he has been contracting to kill people who are partly good as well as those who are pure evil At the same time he has been contracting to kill bad people he is becoming the Devil himself by killing good people too So he gets angry and starts to go insane because of his guilt and confusion and because he realizes he cannot trust anyone but himself Meanwhile Damian and his followers living on Earth are busy bringing ruin on mankind by turning people into rebels against one another and God himself
