misgiving Yet that deed was innocent compared with what I have done now and in any case the series afforded the offender a certain shelter and protection But to come out like this into the open with another Bronte book seems not only a dangerous but a futile and a fatuous adventure All I can say is that I did not mean to do it I certainly never meant to write so long a book It grew insidiously out of the little one Things happened New criticisms opened up old questions When I came to look carefully into Mr Clement Shorter s collection of the Complete Poems of Emily Bronte I found a mass of material its existence I at any rate had not suspected that could not be dealt with in the limits of the original essay The book is and can only be the slightest of all slight appreciations None the less it has been hard and terrible for me to write it Not only had I said nearly all that I had to say already but I was depressed at the very start by that conviction of the absurdity of trying to say anything at all after all that has been said about Anne or Emily or Charlotte Bronte *In the Footsteps of the Brontës* Esther A. Chadwick,1971 [The Brontës of Haworth](#) David W. Harrison,2003-04-23 The Brontës of Haworth Yorkshire s Literary Giants Their Lives Works Influences and Inspirations has been designed by a retired teacher of English as a general overall guide and reference for use by highschool teachers college and university professors students and Brontë enthusiasts The functional layout of the book in three parts allows readers and researchers to obtain a quick thumbnail sketch of the lives of each of the Brontës each of their seven major adult works and the various influence and inspirations which affected their short tragic lives and led them into careers in writing Each chapter in each section has been designed so that the brief background sketches of their lives and works can be read as an entity in itself and from there readers can choose which area they would like to pursue further through additional studies and research The amount of research material on the Brontës is overwhelming and it was the author s intention to briefly sort out various areas of potential interest for those just being introduced to this great family of English writers *The Three Brontës (Classic Reprint)* May Sinclair,2018-01-19 Excerpt from *The Three Brontës* It grew insidiously out of the little one Things happened New criticisms Opened up Old questions When I came to look carefully into Mr Clement Shorter s collection of the Complete Poems of Emily Bronte I found a mass of material its existence I at any rate had not suspected that could not be dealt with in the limits of the original essay About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Routledge Library Editions: The Brontës](#) Various Authors,2022-07-30 This set reissues 8 books on the Brontë family originally published between 1968 and 1999 The volumes cover the four Brontë children Charlotte Emily Anne and Patrick Branwell and provides an analysis and commentary of their most respected works This collection also provides a
