## Thoughts I:

**Thoughts I** Christopher Leach, 2004 *Thoughts I* is an unconventional book *Thoughts I* consists of poetry prose and short stories in an unconventional manner *Thoughts* are supposed to take place inside the mind so the purpose behind *Thoughts I* is to make the reader think Reading is supposed to be enjoyable as well as entertaining Yet because *Thoughts I* is an unconventional book it may and mostly will frustrate any reader who conforms to a regimented written style of literature But for those readers who are looking for something different *Thoughts I* may be refreshing and appealing to your senses Hopefully it will inspire you to think at the very least Yet as the author of *Thoughts I* I hope to inspire more than just your mind I hope to touch your heart and your soul And if I can do that then I've accomplished what I've set out to do **Stories & Thoughts I** George Manus, 2023-12-06 After the author George Manus's releases of his three books REFLECTIONS I II and III the last one in late 2017 he thought it might stop there In the meantime after publishing a series of five books he calls WORDS FOR THE ROAD short reflections and puns he now comes with a new twist based on the same theme STORIES THOUGHTS I They are essentially a continuation of his reflections from 1990 to the present Some are self perceived stories and events while others are reflections on specific topics The smaller format contains half of the previous reflections and is well suited as travel reading He has dedicated the book to the thoughts as nothing can be written without thoughts being involved *Thoughts* are duty free it is said and the author emphasizes that it's a privilege we all have as human beings that we can keep our thoughts to ourselves No one will ever get to know what you are thinking about if you wish to keep it to yourself The thoughts are to me like steam in a pressure cooker he continues especially the thoughts he has long been thinking about They want out in one form or other and out they normally get Pleasant reading December 2023 *Thoughts I Met On The Highway* Ralph Waldo Trine, 2021-01-01 The present book *Thoughts I Met on the Highway* is a collection of random thoughts compiled in the form of poetry by renowned English poet writer Ralph Waldo Trine This collection was first published in the year 1912 *Thoughts I Hope You've Had Too* James Steger, 2004-05 In his book *Thoughts I Hope You've Had Too* James Steger pulls no punches in his assessment of the current state of our society He doesn't hold back in saying what many people today are thinking about unscrupulous lawyers smug judges arrogant politicians incompetent parents and an irresponsible news media He tells it like it is in describing the drug and alcohol usage your children see everyday Your eyes will be opened to the impact the disintegrating family structure and current trends in entertainment are having on the way your children behave You'll read about parents who act more like agents when it comes to handling their children's athletic careers while attacking standards and expectations they perceive as threats You will find out how our current educational policies are cheating good students while catering to bad students You will find out the truth regarding the principle of separation of church and state Other topics include Acceptance of Everyone And Everything Pet Peeves We Are Our Only Predators The 10 Commandments Revised From Winners To Whiners Double Standard Death Sentences and more Go ahead
