Harrin: "Also, how can the clerics put their trust in you, you traitor god? How can you protect your people if you're incapable of defending even yourself?"

1. "It was just an old statue. What Torag has to do with it?"
2. "The statue was ancient, and easy to break. Don't try to see hidden signs where there aren't any."
- 3. [Lore (Religious) check passed]. "You confuse the masses with the consequence. Torag's worshippers left this place. Their faith doesn't empower Torag any more, so he has no need to protect this fortress."
4. [Lore] "Stop whining. Let's go, we still have a lot to do."
