Up Against Daley:

Up Against Daley Joe Mathewson, 1974 Presents the story of the political independents who threatened the political future of Mayor Richard J Daley in the mayoral race of 1975 "Just Buy My Vote" Joseph L. Simmons Jr., 2023-01-23 It is a federal and state felony to buy or sell votes or to offer to buy or sell votes yet Just Buy My Vote African American Voting Rights and the Chicago Condition is a unique story that must be told It is a story where I attempt to summarize without excruciating detail the relevant portions of nearly three centuries Just Buy My Vote is also unique in that it covers race relations black history and urban history written from the perspective of the Southside of Chicago Just Buy My Vote is intended to inform the reader about the significance of voting by explaining voting rights in layman terms with the use of the voting rights laws history philosophy and sociology It is an effort to raise the level of political consciousness among Americans to help readers to realize the history of voting rights and be encouraged to use the power of the vote to further all of our best economic and social interests Thankfully in the presidential election of 2020 we got the voting part right We now have a democracy to save Just Buy My Vote is a tale of two stories First it tells a story about how African Americans in this country attained the right to vote and utilized that power to improve their lives and the lives of many others for future generations And secondly Just Buy My Vote uses Chicago as a case study of how voting rights and voter apathy helped enable an old school political villain and his machine to maintain a system of public and governmental corruption in Chicago for two decades In my writing this book I aimed to inform on history and have also attempted to describe a journey within a journey

Farber tells and retells the story of the protests in three different voices from the perspectives of the major protagonists the

excitement and drama the violently charged action and language of this period of crisis giving life to the whole set of cultural
experiences we call the sixties Chicago 68 was a watershed summer Chicago 68 is a watershed book Farber succeeds in
presenting a sensitive fairminded composite portrait that is at once a model of fine narrative history and an example of how

showed how Black political power could be consolidated His experience working under Martin Luther King his organizing the
SLCC's Operation Breadbasket in Chicago and beyond and his roots in the deep South combined into two astonishingly
impactful presidential campaigns Appealing to the working people of urban enclaves like that of Chicago young people on
college campuses and Black people across the South he created the modern Democratic coalition one that has been used by
all major Democrats seeking national success from Obama to Biden to Harris With her expert reporting natural storytelling
