Up All Night:

The World and a Man Louis Zangwill,1898 *Goodnight Stories* Enid Blyton,2024-02-15 A bedtime collection of short stories by the world s best loved storyteller Perfect for children aged 5 and up From a wizard on the moon to midnight fairy parties there s a dreamy story for everyone in this short story collection by Enid Blyton Drift off to dreamland with these starlit adventures These traditional tales are ideal for younger children being read to and for newly confident readers to read alone Each story stands alone and is the perfect length for reading at bedtime or in the classroom Enid Blyton remains one of Britain s favourite children s authors and her bumper short story collections are perfect for introducing her to the latest generation of readers Read all of Enid Blyton s bumper short story collections New in 2024 *Goodnight Stories* *Five Minute Summer Stories* *Magical Stories* *One A Day Christmas Stories* Enid Blyton and Enid Blyton s signature are registered trade marks of Hodder Stoughton Limited No trade mark or copyrighted material may be reproduced without the express written permission of the trade mark and copyright owner

Ainslee's ,1904 *A Sound So Very Loud* Ted Kessler,2025-08-19 The first definitive history of the iconic band Oasis as told through their music and using their songs as the starting point *A Sound So Very Loud* is the first book to offer a definitive history of Oasis as narrated through their music using their songs as the foundation but breaking out more widely to include sections of background and cultural context It s written by leading music journalists Ted Kessler and Hamish MacBain who have very close ties to the band and their management and have interviewed the Gallaghers dozens of times There has never been a definitive forensically detailed history of Oasis and their music a book that takes readers to the heart of the band s work and what lay behind it in the kind of deeply researched knowledgeable detail that has been afforded The Beatles perhaps most notably with Ian MacDonald s *Revolution In the Head* which examined every Beatles song in chronological detail MacBain and Kessler s intention is to write the book that satisfies the many millions of fans globally similarly obsessed with Oasis s music but who currently only have scattered social media pages to turn to add depth to the story These authors deliver the definitive chronological history of the songs of Oasis that will appeal to fans old and new in doing so bringing the wider Oasis story into play in glorious color The pair have interviewed both Gallaghers dozens of times between 1994 and 2024 and no other journalists can claim more or more lively encounters with Liam and Noel The book will also revisit each interview in the first person chronologically throughout to add unique perspective and texture to the wider story MacBain and Kessle will also dissect sleeve art with the designers and photographers delving into each detail surrounding the band This is a veritable Oasis treasure trove
