Reproduction of the original **Virgin Soil** Иван Сергеевич Тургенев,Thomas Sergeant Perry,1877 *Virgin Soil* Ivan Turgenev,2000-08-31
Turgenev was the most liberal spirited and unqualifiedly humane of all the great nineteenth century Russian novelists and in *Virgin Soil* his biggest and most ambitious work he sought to balance his deep affection for his country and his people with his growing apprehensions about what their future held in store At the heart of the book is the story of a young man and a young woman torn between love and politics who struggle to make headway against the complacency of the powerful the inarticulate misery of the powerless and the stifling conventions of provincial life This rich and complex book at once a love story a devastating and bitterly funny social satire and perhaps most movingly of all a heartfelt celebration of the immense beauty of the Russian countryside is a tragic masterpiece in which one of the world s finest novelists confronts the enduring question of the place of happiness in a political world **Virgin Soil** Ivan Sergeevich Turgenev,1913 *Virgin Soil* Ivan Sergeevich Turgenev,1896 **Virgin Soil** Ivan Sergeevich Turgenev,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
