I Say Unto You Osho, 2013-12-10 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on selected Gospels from Matthew and John tests the hypothesis that Jesus was a mystic not a miracle worker of supernatural origin Osho convincingly makes the case that the stories of Jesus life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I Say Unto You introduces us to a dynamic compassionate intelligent loving Jesus who speaks in a plain and simple way that everyone can understand This is not the long faced sad and tortured man often depicted down the centuries Osho looks with a crystal clear perception at Jesus work inviting us to see the parables and miracles as metaphors of the inner world He gives insight into Jesus own search and his journeys to the ancient mystery schools of Egypt Kashmir and Tibet that transformed him into one of the most evolved masters of the paths of love and meditation with insights that are still relevant for today s world
