Watch It:

Watch It Nicholas Burbules, Thomas Callister Jr., 2018-03-05 Watch IT is an examination of several critical issues in the potential of new information technology IT for education IT already central to many aspects of our lives is rapidly becoming an integral part of teaching and learning This book takes a close look at the positive and negative consequences of new technologies in the classroom In a series of interrelated essays the authors explore such issues as access credibility new approaches to reading and writing the glut of information privacy censorship commercialization and globalization *Watch It Burn* Kristen Bird, 2024-03-12 NXIVM meets Southern suspense Gripping timely and ominous Allison Buccola author of *Catch Her When She Falls* Three women work to uncover the scorching lies and scandal behind a self help movement igniting a powder keg of secrets that could blow their town apart in this suspense novel perfect for readers who love Southern mystery It s early morning in the small Texas town of Edenberg when the body of sixty five year old Beverly Hoffman is discovered in the Guadalupe River drowned in only two inches of water After elementary school teacher Nichole Miller discovers the woman s body she makes two phone calls first to the police who call Beverly s death a slip and fall and second to her best friend journalist Jenny Martin Jenny is attempting to revive her flailing marriage and her all but DOA career and she knows foul play when she sees it The two women enlist the help of Beverly s daughter in law Robin who s eager to expose the truth Beverly had been beloved in the tight knit community having cofounded the wildly popular personal development company Genetive Inc alongside her influential husband But something sinister has been smoldering beneath the surface of their picturesque hometown And Genetive is at the center of it all *Light a Fire and Watch it Burn* Michael L. Boucher, 2025-09-10 *Light a Fire and Watch It Burn* Disruptive Qualitative Methods in Education Research revolutionizes how qualitative research is conceptualized taught and practiced Edited by Michael L Boucher Jr Ph D this groundbreaking collection of essays by emerging and established scholars introduces equity centered justice oriented methodologies designed to challenge entrenched systems of power and privilege With a focus on amplifying marginalized voices and fostering transformative social action this book serves as an inspiring accessible resource for educators researchers and graduate students Traditional qualitative research texts provide invaluable foundations for understanding methods such as participant observation coding and analysis Yet they often fail to address innovative approaches that challenge oppressive norms and center lived experiences of marginalized communities *Light a Fire and Watch It Burn* fills this critical gap presenting 15 concise practice oriented chapters on disruptive methods including photovoice duoethnography feminist critical discourse analysis and arts based research like ethnodrama These approaches reimagine qualitative inquiry as a vehicle for equity inclusion and justice equipping readers with tools to create meaningful change Each chapter follows a consistent structure making the book an ideal classroom text for qualitative research courses Readers will find clear explanations of the methodologies their theoretical foundations and how they disrupt systems of oppression while

empowering participants Practical examples discussion questions and curated lists of further readings encourage deep reflection and active engagement This structure ensures seamless integration into weekly lessons for master s and doctoral students while also serving as a reference for scholars seeking to expand their methodological repertoire From exploring anticolonial ethics to embracing culturally responsive frameworks like iwi methodologies and Pl ticas the book highlights the potential of qualitative research to humanize and transform Contributors share personal narratives and research experiences that illuminate how these methodologies foster trust amplify silenced voices and dismantle academic hierarchies The metaphor of lighting a fire reflects the catalytic potential of these methods to spark curiosity disrupt traditional paradigms and ignite transformative social action while watching it burn underscores the boldness and urgency of these practices in reimagining education research Accessible inspiring and deeply rooted in critical theory *Light a Fire and Watch It Burn* is an essential companion for students and educators who dare to confront power and reimagine research as a tool for justice It challenges readers to move beyond the safe confines of traditional methods and embrace innovative practices that center humanity equity and resilience Whether you are a graduate student beginning your journey a scholar seeking to disrupt academic norms or an educator looking for practical tools to inspire your students this book provides the guidance and vision needed to reshape qualitative research and ultimately the world it seeks to understand *Light a Fire and Watch It Burn* is not just a book it is a call to action for those ready to create a more inclusive equitable future through research Perfect for courses such as Introduction to Qualitative Research Methods Critical Theory in Education Advanced Qualitative Research Design Participatory Research in Education Feminist Research in Social Sciences Decolonizing Research Practices Arts and Humanities Based Inquiry Social Justice in Education Education Policy and Practice Research Ethics and Methodologies
