# Women Divided

**Sue-Ellen Case**

## **Women Divided:**

Divided Lives Rosalind Rosenberg, 1992-06 The lives of American women have changed dramatically in the nine decades since the turn of the century Women have made extraordinary strides in winning personal autonomy sexual freedom economic independence and legal rights They won the right to vote the legal right to equal pay for equal work and the right to control their reproductive lives Nonetheless the vast majority of women still assume the domestic burdens that leave men free to play their traditional role outside the home paradoxically the bedrock of liberal individualism that has made women's great gains possible clashes with the powerful tradition of gender inequality Moreover it has impeded the growth of social services health care maternal aid and child care that could further promote equality for women Equality in practice remains elusive Rosalind Rosenberg writes a lively history She includes vignettes of many of the great leaders who during a turbulent century long struggle have achieved so much for their sex reformers Jane Addams and Frances Peck labor leaders Elizabeth Gurley Flynn and Ruth Young birth control advocates Emma Goldman and Margaret Sanger civil rights leaders Ida Wells Barnett and Pauli Murray feminists Alice Paul and Betty Friedan and many lesser known women Enjoyable colorful informed Ms Rosenberg's book maintains a clear focus as it deals with the leaders the goals some contradictory and triumphs and occasional setbacks of the women's movement in the twentieth century

**Women Divided** Rosemary Sales, 2002-11-01 The ongoing Irish peace process has renewed interest in the current social and political problems of Northern Ireland In bringing together the issues of gender and inequality Women Divided a title in the International Studies of Women and Place series offers new perspectives on women's rights and contemporary political issues Women Divided argues that religious and political sectarianism in Northern Ireland has subordinated women A historical review is followed by an analysis of the contemporary scene state market particularly employment patterns family and church and the role of women's movements The book concludes with an in depth critique of the current peace process and its implications for women's rights in Northern Ireland arguing that women's rights must be a central element in any agenda for peace and reconciliation

A Home Divided, 1993-12 A challenge to economic theories that view the household as a harmonious unit with a single decision maker this book shows that in the Third World the household is an arena of conflict marked by inequality and negotiation over income and expenditures Dwyer and Bruce's introduction is followed by eleven field studies four in Asia four in Africa and the Middle East and three in the Caribbean and Central America These twelve essays by economists sociologists anthropologists and demographers provide a cogent analysis of household structure dynamics and women's bargaining context This book will be of interest not only to specialists in gender studies but also to ethnologists and other social scientists

**Women United, Women Divided** Patricia Caplan, Janet M. Bujra, 1978 Recolección de nueve artículos de distintas autoras en los que se analizan las relaciones entre las mujeres su solidaridad para con ellas mismas en sociedades tan distintas como las de la India este y oeste de África Australia China e Inglaterra

Women United, Women Divided

Patricia Caplan, Janet M. Bujra, 1979 **Women Divided** Rosemary Sales, 1997 Discussing both historical developments and contemporary events *Women Divided* offers topical and important new perspectives on issues of gender and sectarianism in Northern Ireland [Divided We Stand](#) Marjorie J. Spruill, 2017-02-28 The fascinating true story of the characters in Hulu's *Mrs America* and a broader portrait of the two women's movements that spurred an enduring rift between liberals and conservatives The many admirers of *Mrs America* will find great satisfaction in *Divided We Stand* a clear compelling and deeply insightful volume The Washington Post One of Smithsonian Magazine's Ten Best History Books of the Year In the early 1970s an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston Texas As Bella Abzug Gloria Steinem and other feminists endorsed hot button issues such as abortion rights the ERA and gay rights Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement *Divided We Stand* reveals how crucial women and women's issues have been in the shaping of today's political culture After the National Women's Conference Democrats continued to back women's rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women's rights and defined itself as the party of family values irrevocably affecting the course of American politics **Divided Sisters** Midge Wilson, 1996 Since the advent of the women's movement women have often expressed the belief that black and white women in society have a great many common concerns and are in fact natural allies The reality is more sobering In *Divided Sisters* Midge Wilson and Kathy Russell the acclaimed authors of *The Color Complex* tackle the nature of relationships between black and white women and explore how they do and don't get along Based on scores of interviews cultural literature and extensive research *Divided Sisters* examines relations between black and white women as children as adults at school and in college at work and at home Truthfully as adults relatively few women feel they are close friends with a woman from another racial background The book exposes many of the challenges and obstacles that complicate interracial relationships in a society with a long history of racial inequality What Midge and Kathy discover is that the concerns and frustrations of black and white women are often different and that these differences are frequently not communicated For example women thrown together for the first time in college are often ill prepared to handle cultural differences in dress customs attitudes and background In addition peer pressure economic and historical inequality real or perceived racism and fear play a role in dividing rather than uniting women *Divided Sisters* is a landmark book that will open readers eyes to the realities and challenges of bridging what is too frequently a cultural divide **Qatar Supreme Council for Family Affairs** Lynn A. Karoly, Michael G. Mattock, 2006 The Qatar Supreme Council for Family Affairs is developing a social indicators database system that will provide essential information for assessing the well being of families in Qatar This report which presents the final results of an analysis by the RAND Qatar Policy Institute

addresses questions related to the implementation use and maintenance of the database as well as its potential short and long term benefits
