Up The Devils Belly:

Up the Devil's Belly Rhett Devane, 2005 **The Writings of Lafcadio Hearn** Lafcadio Hearn, 1922 The Devil's Blade Mark Alder, 2020-04-02 The story of Julie D Aubigny is well known Her tumultuous childhood her powerful lovers her celebrated voice Connected to most of the nobility of 17th century Paris feted for her performance unwilling to live by the rules of her society she took female lovers fought duels with noblemen and fled from city to country and back again But now the real truth can be told She also made a deal with the devil He gave her no powers or help but he kept her alive for only one reason To take revenge **Two Years in the French West Indies** Lafcadio Hearn, 1890 Lafcadio Hearn 1850 1904 was an international writer best known for his books about Japan Born on the Greek island of Lefkada the son of an Irish father and a Greek mother he was raised in England Ireland and France and immigrated to the United States at age 19 He lived first in Cincinnati where he landed a job as a journalist and then moved to New Orleans in 1877 where he wrote for several newspapers His impressionistic writings about the city caught the eye of editors at Harper's Magazine which in 1887 sent Hearn to the West Indies as a correspondent The first part of this book is an account of Hearn's midsummer trip to the tropics which took him from New York to the Lesser Antilles with stops in Saint Kitts Dominica Martinique Barbados Guyana Trinidad Grenada and Saint Lucia Hearn was captivated by the French ruled island of Martinique and its people where he came to live for two years The second part of the book consists of 14 sketches of the island all with French or Creole titles The book includes photographs drawings and an appendix that discusses the music of Martinique and reproduces the melody and lyrics of several Creole songs In 1890 the year this work was published Hearn traveled to Japan where he eventually settled married a Japanese woman and became a naturalized Japanese citizen *Lafcadio Hearn: American Writings (LOA #190)* Lafcadio Hearn, 2018-08-14 Featuring a wide range of writings from Hearn's time in America this collection is a stunning showcase of the Greek Irish author's uniquely decadent literary flair and keen eye for observation A translator of Flaubert and Gautier Lafcadio Hearn was the master of a gaudy and sometimes self consciously decadent literary style but he was also a tough minded and keenly observant reporter with an eye for the offbeat the sensual and occasionally the gruesome The writings of his American years collected in this Library of America volume on subjects as wide ranging as comparative folklore the history of musical instruments French literary avant gardes and New Orleans voodoo reveal an omnivorous curiosity and an always eclectic sensibility Some Chinese Ghosts 1887 a stylized retelling of ancient legends foreshadows Hearn's later fascination with Asian themes The exquisitely crafted novels Chita 1889 about the devastation wrought by a Louisiana hurricane and Youma 1890 about a slave rebellion in Martinique epitomize his writing at its most luxuriantly romantic alert to the interactions of diverse cultures and suffused with imagistic splendor His extraordinary travel book Two Years in the French West Indies 1890 presented here with the many illustrations from its first edition provides a richly impressionistic account of his long stay on Martinique and other Caribbean islands Also included are personal letters

as well as more than a dozen examples of Hearn's journalism from the 1870s and 1880s depicting vividly a raucous African American nightclub on the Cincinnati waterfront an execution scenes of Mardi Gras and the New Orleans French Quarter an uncharted village of Filipino fishermen in a remote Louisiana bayou

With the arrival of a new generation of the Davis Lewis family and the opening of an upscale day spa confidence is finally returning to the small Florida town of Chattahoochee The triumph over the vicious hate crime that crippled Jake Witherspoon has become a subtle right of passage hardly mentioned in the day to day hustle and bustle of birthdays and business plans People are smiling again the evening news happens to someone else and the gossip under the Triple C's hair dryers is finally getting good Yet before Piddie's last batch of Cathead Biscuits has a chance to cool something new is crawling through the tall grass A prominent citizen is hiding a dirty little secret one that will shake the community to its roots and leave a legacy of doubt and mistrust that may never heal Return with us to Chattahoochee where Southern hospitality strong family ties and small town values collide with the darkest side of human nature in a story told with unflappable Southern charm Turkish Fairy Tales and Folk Tales Ignác Kúnos, 1896 *Sermons by the Devil* William Shuler Harris, 1904

Writing from the perspective of Satan this book demonstrates the dark nature and cunning techniques of the Devil through the advice and sermons he gives to Earthly mortals The Devil's seductive and tempting qualities are displayed ingloriously Satan advises ordinary humans to live lives of sin and reckless indulgence with callous disregard for oneself and others To make his counsel more alluring and convincing the Devil employs a variety of rhetorical techniques noting the short term gratification and pleasure a person can enjoy by behaving in an injurious way Examples include imbibing alcohol tobacco a rejection of Christian virtues declining God's call and promotion of atheism The author himself

was a committed Reverend who by writing this book strived to act as a literal Devil's Advocate Writing at the turn of the 20th century the sermons Harris conceived also represent Christian outlooks emblematic of the time with movements such as temperance represented in the chapters and styles of dress shown in the illustrations In all we witness how a talented preacher's knack for words and speaking were adeptly purposed into a unique guide for believers eager to avoid the pitfalls of bad conduct The Expiring Continent Alexander William Mitchinson, 1881 The Spectator, 1927 A weekly review of politics literature theology and art
