REFLECTIONS ON THE EXPERIENCE  
OF INFATUATION, HUMAN INTIMACY,  
AND CONTEMPLATIVE LOVE

THOMAS J. TYRRELL

*One dark night,  
Fired with love's urgent longings  
—Ah, the sheer grace!—  
I went out unseen,  
My house being now all stilled.*

*Urgent Longings* Thomas J. Tyrrell, 1994      *Urgent Longings* Thomas J. Tyrrell, 1980 This book offers thought provoking reflections on the beauty of love in the development of human and divine intimacy Foreword page 10      Paper Cuts Stephen Bernard, 2018-02-22 A dazzlingly original memoir Paper Cuts takes us inside the mind of a young Oxford academic devastated by severe mental illness I have a small line of red dots on the back of my left hand where the needle goes in I have had hundreds of ketamine injections more than anyone else perhaps The needle goes in and the truth comes out Sometimes I am a child again Sometimes I have the innocence of a child but I am not innocent I know too much I have known too much With Paper Cuts Stephen Bernard boldly lives through the trauma of childhood abuse and mental illness He writes to escape and confront to accuse and explain Each morning when he wakes Stephen Bernard must reconstruct his self every night he writes himself a letter to be read the next day The fractured intensely personal narrative of Paper Cuts follows a single day in his life as he navigates a course through the effects of mania medication and memories Beautifully written Brilliant Henry Marsh Distinguished and desolating The saving grace is the writer's undaunted eye for the beauty of the world Hilary Mantel Chilling riveting extraordinary wonderful Roddy Doyle It is an extraordinary book in its unblinking truthfulness Hannah Jane Parkinson Observer      The Holy Longing Ronald Rolheiser, 2014-03-11 Ronald Rolheiser makes sense of what is frequently a misunderstood word spirituality In posing the question What is spirituality Father Rolheiser gets quickly to the heart of common difficulties with the subject and shows through compelling anecdotes and personal examples how to channel that restlessness that deep desire into a healthy spirituality This book is for those searching to understand what Christian spirituality means and how to apply it to their own lives Rolheiser explains the nonnegotiables the importance of community worship the imperatives surrounding social action the centrality of the Incarnation the sustenance of the spiritual life and how spirituality necessarily impacts every aspect of human experience At the core of this readable deeply revealing book is an explanation of God and the Church in a world that more often than not doubts the credibility of both      The Collected Works of St. John of the Cross St John of the Cross, 1991-12-08 This revised edition of The Collected Works of St John of the Cross was produced to mark the fourth centenary of the death of St John of the Cross 1542 1591 The result is an English translation of his writings that preserves the authentic meaning of the great mystic's writings presents them as clearly as possible and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor Included in The Collected Works are St John's poetry The Ascent of Mount Carmel The Dark Night The Spiritual Canticle and The Living Flame of Love as well as his extant letters and other counsels More Information Complementing St John's writings are a comprehensive General Introduction for the entire work as well as brief enlightening introductions for each specific work explaining theme and structure These are enhanced by new and expanded footnotes and a glossary of terms About the Translators Kieran Kavanaugh O C D Father

Díaz,2022-09-13 Queer God de Amor explores the mystery of God and the relationship between divine and human persons It does so by turning to the sixteenth century writings of John of the Cross on mystical union with God and the metaphor of sexual relationship that he uses to describe this union Juan s mystical theology which highlights the notion of God as lover and God s erotic like relationship with human persons provides a fitting source for rethinking the Christian doctrine of God in John s own words as un no s qu an I know not what In critical conversations with contemporary queer theologies it retrieves from John a preferential option for human sexuality as an experience in daily life that is rich with possibilities for re sourcing and imagining the Christian doctrine of God Consistent with other liberating perspectives it outs God from heteronormative closets and restores human sexuality as a resource for theology This outing of divine queerness that is the ineffability of divine life helps to align reflections on the mystery of God with the faith experiences of queer Catholics By engaging Juan de la Cruz through queer Latinx eyes Miguel D az continues the objective of this series to disrupt the cartography of theology latinamente
