Blinded by Hope Meg McGuire,2017-06-06 One day a teenage boy gets on his bike and rides forty miles up California s Pacific Coast Highway to avoid causing an earthquake he fears will endanger his mother and sister But the quake he is experiencing is not coming from beneath the earth it s the onset of bipolar illness Blinded by Hope describes what it s like to have an unusually bright creative child and then to have that child suddenly be hit with an illness that defies description and cure Over the years McGuire attributes her son s lost jobs broken relationships legal troubles and periodic hospitalizations to the manic phase of his illness denying the severity of his growing drug use but ultimately she has to face her own addiction to rescuing him and to forge a path for herself toward acceptance resilience and love A wakeup call about the epidemic of mental illness substance abuse and mass incarceration in our society Blinded by Hope shines a light on the shadow of family dynamics that shame ignorance and stigma rarely let the public see and asks the question How does a mother cope when love is not enough *International Television & Video Almanac* ,2007 Light ,1925 The Stormer Gurmeet Mattu,2013-03-18 Davina was her name and she pleaded that I should not write this that I should not expose her to the world Apologies sweet Davey whose standard would I bear if your starlit eyes had not so pleaded Those days are gone These are

**Letters** John Barth,1994 Basically Barth takes several people from his early novels and has them all starting to write to each other and to him their letters and experiences directing the plot And what starts out as what could be a too cute literary trick winds up being extremely revealing as the characters pour themselves into the letters regardless of whom they re writing to as the plot skips and slips through time On one level it acts as a sequel to those early novels continuing their stories and although it s not really required to read those books I m not going to pretend it doesn t help The best thing to do would be to read those old novels in one block and then move onto this I read them some years ago so I was a little fuzzy on the finer points But I picked it up But Barth captures the voices of his old characters well and even if you didn t know who was writing what letter you could tell And thus they tell the recepient and us about their hopes and fears they mingle together they lie they come unglued and by the end you sort of get a tapestry of their thoughts There s a plot weaving through here but sometimes it becomes hard to connect it with six different people discussing different angles of it with you but I just went with it and enjoyed the writing for what it was Michael Battaglia at Amazon com *Unbecoming a Priest*

Anthony Bartlett,2023-06-02 Tony Bartlett s story is thrillingly upside down Rather than the classic conversion narrative of escaping the world to dedicate your life to God it is about escaping a collapsing institutional order to discover a different self and learning to be in the world An extraordinary account with pivotal themes of sexuality trauma revolution and relationship *Unbecoming a Priest* spans eras classes continents cities wars iconic figures spiritualities and above all divergent modes of Christian being in the world From London to Rome from Europe to Latin America journeying with exceptional fellow pilgrims like Mother Teresa Pedro Casald liga Carlo Carretto it is a story of pain and messiness becoming ultimately one of joy life and meaning Subtly but surely the journey is also gospel inspired where the figure of Jesus takes on a provocative anarchic role helping in the overturning of sacrificial clich s and systems Inevitably at stake is the meaning of priesthood itself either propping up an eternal order amidst history s escalating crisis or seeking with others the germ of authentic new human becoming and hope Here is the inescapable drama and contemporary truth of unbecoming a priest *Two Girls of Old New*
