"The Edgewood Story" is a community venture edited by two active members of the Edgewood Historical Society with the assistance, encouragement and help of the entire membership.

Located some 50 miles east of Dallas in Van Zandt County, Edgewood has a colorful historical past beginning with its inception in the mid 1840s to the present thriving and bustling community of some 1500 people.

The history tells of the group of pioneers from North Carolina and other eastern seaboard states who came to Texas and settled in the area which in 1848 became Van Zandt County. Many of these people settled close to the old Dallas-Shreveport road, southeast of the present town of Edgewood.

Some of these people—the James Bundys, Allen Hairs, Simpsons, Cartwrights and others—took an active part in the development of the new county by serving as postmaster, county clerk, commissioners and in various other offices.

The community struggled through the tragic era of the War Between the States and in 1870 with the arrival of the railroad began its first real growth.

The event that precipitated the beginning of the town of Edgewood was the "County Seat War in 1877." The controversy was between Wills Point and Canton and was

settled when 310 men from Canton marched on Wills Point to return the records to Canton. However, ill feelings between the two towns persisted and in 1878 Canton decided to make a new railroad shipping point. This became the town of Edgewood.

The next stage of "The Edgewood Story" began around 1890 with the arrival of a group from Mississippi. These were the people who established many of the businesses of Edgewood and launched community development.

And "The Edgewood Story" has it all. Every segment of community life from Trades Day to Hog Killing is covered along with individual histories of clubs, and organizations, schools, churches, businesses and industries.

The last section of the book includes more than 100 family genealogies which is the heart of "The Edgewood Story." A collection of historic photos, totaling more than 200, provide added interest and value for the general reader as well as the serious historical researcher.
