The Emperor:

The Emperor's General James Webb,2009-10-07 Captain Jay Marsh had never questioned where his ultimate loyalty lay He had witnessed the bloody horror left behind by the retreating Japanese army during World War II s final days And he had abandoned his beautiful Filipina fianc e to see his duty through But not even Marsh could guess the terrible personal price he would have to pay for his loyalty He would follow General Douglas MacArthur to Tokyo itself There he would become the brilliant egocentric general s confidant translator surrogate son and spy Marsh would play a dangerous game of deliberate deceit and brutal injustice in the shadow world of postwar Japan s royal palaces and geisha houses and recognize that the defeated emperor and his wily aides were exploiting MacArthur s ruthless ambition to become the American Caesar The Emperor s General is a dramatic human story of the loss of innocence and the seduction of power about the conflict between honor duty and love all set against an extraordinary historical backdrop [The Emperor's Old Clothes](#) Barbara Stollberg-Rilinger,2015-08 For many years scholars struggled to write the history of the constitution and political structure of the Holy Roman Empire This book argues that this was because the political and social order could not be understood without considering the rituals and symbols that held the Empire together What determined the rules and whether they were followed depended on complex symbolic ritual actions By examining key moments in the political history of the Empire the author shows that it was a vocabulary of symbols not the actual written laws that formed a political language indispensable in maintaining the common order *The History of the Reign of the Emperor Charles the Fifth* William Robertson,1873

The Emperor's Adviser Lesley Connors,2010-10-18 Saionji Kinmochi was an aristocrat a scholar and a progressive liberal politician who twice occupied the highest political office in the nation and who during three decades as adviser to three Emperors coordinated and directed Japanese politics His long life encompassed the emergence of the modern Japanese state the establishment of the constitution the integration of Japan into the inter war international community and the creation and subsequent erosion of the democratic process The story of his twilight years chronicles the conflicts between the goals of liberalism and internationalism which dominated Japanese politics in the 1920s and the right wing militarism which held sway in the years leading to the Pacific War He was a central figure in the turbulent formative period of Japan s political ideology [The Emperor's Games](#) Damion Hunter,1984 *The Emperor* Georg Ebers,2018-09-21 Reproduction of the original *The Emperor* by Georg Ebers **The Emperor's New Clothes, Or, A Costumer's Nightmare** Diane King Vann,1998 *The Patriarch and the Tsar: Testimonies concerning the patriarch Nikon, the Tsar, and the boyars, from the Travels of the patriarch Macarius of Antioch, written in Arabic by his son and archdeacon Paul of Aleppo* ,1873 *Hodder & Stoughton's sixpenny novels.
