THE LEGACY OF TAJ - ETERNAL LOVE AJIT PHANSE,2021-03-18

Ladies and Gentlemen I present to you the Taj Mahal The guide said very theatrically while addressing the group of tourists The greatest monument of love on earth it has inspired romance across generations Everlasting love that's the legacy of the Taj That was what Abhay had heard about the great monument while growing up in the historic city of Agra And that is what he believed in Until he came across the counterclaims of the legacy of the Taj A preposterous yet compelling view about the Indian origins of the monument Was there even an iota of truth in these claims Or was it just a case of reductio ad absurdum Abhay decides to take definitive action on his own to establish the most substantive counterfactual argument and get to the bottom of these claims It helps that this quest of his also presents him a subject to seek a teaching assignment while being in the company of the intelligent Jasmeet and the monument which true to its reputation does not fail to enkindle romance Does Abhay succeed in disproving the claims Or does he yield to the confounding possibilities around the unrecorded antecedents of the monument Join Abhay in his quest to seek the truth and rediscover The Legacy of Taj

The Many Lives of the First Emperor of China Anthony J. Barbieri-Low,2022-08-09 Tyrant or national hero An interdisciplinary exploration of China's First Emperor Ying Zheng founder of the Qin empire is recognized as a pivotal figure in world history alongside other notable conquerors such as Alexander the Great Genghis Khan and Julius Caesar His accomplishments include conquest of the warring states of ancient China creation of an imperial system that endured for two millennia and unification of Chinese culture through the promotion of a single writing system Only one biased historical account written a century after his death in 210 BCE narrates his biography Recently however archaeologists have revealed the lavish pits associated with his tomb and documents that demonstrate how his dynasty functioned Debates about the First Emperor have raged since shortly after his demise making him an ideological slate upon which politicians revolutionaries poets painters archaeologists and movie directors have written their own biases fears and fantasies This book is neither a standard biography nor a dynastic history Rather it looks historically at interpretations of the First Emperor in history literature archaeology and popular culture as a way to understand the interpreters as much as the subject of their interpretation
