Truth And Dialogue The Relationship Between World Religions:

Truth and Dialogue John Hick, 1974 Truth and Dialogue John Hick, 1974 American ed published under title Truth and dialogue in world religions *Truth and Dialogue: the Relationship Between World Religions. [Studies in Philosophy and Religion]* J. Hick, 1975 **The World's Religious Traditions** Frank Whaling, 2016-10-06 The aim of this book is to make a major contribution to the field of religious studies while at the same time paying tribute to the work of Wilfred Smith Although the basis of the chapters is provided by Smith's themes of faith and tradition and Smith's approach to the study of religion this book stands in its own right as a significant addition to both content and method in the global history of religions First published in 1984 it includes contributions by Geoffrey Parrinder Annemarie Schimmel George Rupp Ninian Smart and others Truth and Dialogue in World Religions: Conflicting Truth-claims John Hick, 1974 Selected papers of the conference held in April 1970 British ed published under title Truth and dialogue the relationship between world religions **The World's Religions** Arvind Sharma, 2010-10-01 This wide ranging reader combines some of the best and most valuable contemporary perspectives from leading and significant writers teachers and thinkers who together address critical challenges and opportunities for the world's religions in a post 9 11 world Edited by Arvind Sharma and organized by topic the essays in this reader consider broad questions such as What influence does religion have on contemporary life The thematic arrangement of topics includes diverse religious perspectives on war terror peace human rights pluralism diversity gender spirituality the interreligious dialogue international diplomacy and globalization Interreligious Engagement in Urban Spaces Julia Ipgrave, 2019-07-30 This book examines interreligious dialogue from a European perspective It features detailed case studies analysed from different disciplinary perspectives These studies consider such activities as face to face discussion groups public meetings civic consultations with members of faith groups and community action projects that bring together people from different faiths Overall the work reports on five years of qualitative empirical research gathered from different urban sites across four European cities Hamburg London Stockholm Oslo It includes a comparative element which connects distinctive German Scandinavian and English experiences of the shared challenge of religious plurality The contributors look at the issue through social material and ideological dimensions They explore the following questions Is interreligious dialogue the producer or product of social capital What and how are different meanings produced and contested in places of interreligious activity What is the function of religious thinking in different forms of interreligious activity Their answers present a detailed analysis of the variety of practices on the ground A firm empirical foundation supports their conclusions Readers will learn about the changing nature of urban life through increasing pluralisation and the importance of interreligious relations in the current socio political context They will also gain a better understanding of the conditions processes function and impact of interreligious engagement in community relations public policy urban planning and practical theology *Modern Christian Thought: The twentieth century* James C. Livingston, Francis Schüssler

Fiorenza, This widely acclaimed introduction to modern Christian thought formerly published by Prentice Hall provides full scholarly accounts of the major movements and thinkers theologians and philosophers in the Christian tradition since the eighteenth century Enlightenment together with solid historical background and critical assessments This second edition deals with the entire modern period in both Europe and America and is the first to include extensive treatment of modern Catholic thinkers Evangelical thought and Black and Womanist theology

Sourcebook of the World's Religions Joel Beversluis, 2011-02-08 Now in its third edition this is the most comprehensive work available on the rich variety of paths available to today's spiritual seekers More than an academic reference it explores how religions can collaborate to help the world Essays exploring the realm of building an interfaith community add to the book's detailed portraits of the major religious traditions The Sourcebook also contains essays on spiritual practices as diverse as theosophy wicca and indigenous religions This revised edition of the Sourcebook offers an unparalleled look at where spirituality is headed in the coming millennium

Religion and Society, 1999 Asian Perspectives on the World's Religions after September 11 Arvind Sharma, Madhu Khanna, 2013-02-15 This book offers a unique perspective on September 11 and our world after this tragic event sharing lessons from an Asian religious experience that can help heal a world troubled by religious conflicts and deepening divisions and promote a positive global transformation Existing literature regarding the events of September 11 and our world afterward has focused mostly on the West and the Middle East Asian Perspectives on the World's Religions after September 11 extends this discussion to include Asia a continent and culture far too important to be ignored in any assessment of the global impact of this event The book is organized along the following themes as they emerged post September 11th religion and civilizational dialogue religion conflict and peace religion and human rights religion and ethics religion and the arts religion hermeneutics and literature religion and gender religion and ecology and religion and globalization Individuals who are studying or teaching political science international relations philosophy ethics Asian studies or religious studies will find the text invaluable while general readers will appreciate the largely unvoiced Asian perspective on this topic

God as Loving Grace Barry L. Callen, 2018-06-27 This work impressively documented avoids fruitless speculation and gets down to the basics of the Christian faith In a clear writing style the author powerfully articulates the unique activity of Father Son and Holy Spirit and shows how the work of each complements the other Dr Kenneth Kinghorn Dean of the School of Theology Asbury Theological Seminary Focus is all important This book biblical throughout proceeds from the perspective of God's loving grace and maintains this perspective as the whole revelation of God is unfolded in its light The Trinity is rightly honored as this theology interacts helpfully with many other theological views and clarifies anew much that traditionally has been valued This is fresh material that serves the church fruitfully and also speaks meaningfully to contemporary culture exactly what good theology should do Rev Dr James Earl Massey Dean Emeritus Anderson University School of Theology Dr Barry L Callen is Professor of Theology and Dean Emeritus of Anderson University and

School of Theology Former Editor of the Wesleyan Theological Journal and current Editor of Aldersgate Press he holds graduate degrees in theology from Anderson Asbury and Chicago Theological Seminaries and has authored numerous books on theology **Theology and the Quest for Truth** Mathijs Lamberigts,Lieven Boeve,Terrence Merrigan,2007

Missiology ,1992 An international review Pluralism and Particularity in Religious Belief Brad Stetson,1994-09-30 Challenging commonly held assumptions in the field of religious studies the author argues that religious pluralism as a paradigm of religious belief is deeply flawed This work focuses particularly on the foundations of John Hick s influential articulation of religious pluralism and suggests its consonance with postmodernist criticism The critique of pluralism is followed by a defense of Christian exclusivism and its moral viability as a style of religious belief The comprehensive reference bibliography records the major works in the study of religious pluralism *Religious Pluralism and the World Religions* Harold G. Coward,1983 Moving Forms of Theology Israyēl Celvanāyakam,2002 Contributed articles

Believing Wilfred Cantwell Smith,1998-07 Today the concept of believing is generally considered to be of central significance to one s faith Smith traces the history of believing through a discussion of religious belief from a modern philosophical and linguistic perspective an assessment of the history of the words belief and believe as well as through the study of biblical passages Smith s comprehensive enquiry reveals that this emphasis on its importance is a relatively modern phenomenon *A Religious Encyclopaedia: Or Dictionary of Biblical, Historical, Doctrinal, and Practical Theology* Philip Schaff,Samuel Macauley Jackson,David Schley Schaff,1891 **The Truth Seeker** ,1928
