Francis Schaeffer,2012-01-27 Does believing in Jesus really make a difference Francis Schaeffer had been serving as a pastor for over a decade when he began to wonder if Christianity really made a difference in people s lives He was tired of not seeing results in his own spiritual life and others He found himself talking about Christianity but not living it *True Spirituality* a twentieth century spiritual classic outlines the result of his effort to start at the beginning and honestly re examine his faith The book is a treasure trove of wisdom for Christians trying to discover what true spirituality looks like in everyday life Readers will learn How Christ s death is central to the Christian faith not just for justification but also for sanctification Why you should adopt a posture of active passivity to experience the Holy Spirit s transformative work The role of God in healing the whole person whether it s psychological problems or relational ones This beloved theological book includes a foreword by Chuck Colson and an introduction by Dr Jerram Barrs director of the Schaeffer Institute *Spirituality Versus Religion* Leo Rutherford,2011-07-01 For all who seek truth beyond church bible dogma A stark expose of the problems we humans have brought upon ourselves with the adoption of the Abrahamic male monotheist separated God and the abandonment of the more ancient and balanced animist shamanist holistic knowledge This book contrasts these two radically differing world views The ancient world view of indigenous cultures in which everything is seen and felt as alive with soul and the male monotheist world view which teaches that only humans have souls And proposes that it is time for a radical change in our world view Our Earth is our Mother Goddess all the plants animals insects fish birds are part of her as are we It is not our planet we share it Without the other kingdoms we would not exist We need to put our faith in an Infinite Creator God Source Force of Ultimate Love and Compassion It will help greatly to give the Eternal Mother back her rightful place in the Trinity of Existence This will help to restore balance between the forces of ying and yang RELIGION vs SPIRITUALITY Belief in One God vs Trust In the Mystery of Existence God Is Separate vs God Is Everything Everywhere Set of Beliefs vs Tools to Discover Knowledge God is good devil is evil vs Good evil are two aspects of Creation Bible is the word of God vs Bible is the myths of men Masculine dominant vs Feminine masculine in balance Jesus only Son of God vs Jesus mythological figure *The Psychology of Religion and Spirituality* Timothy Sisemore,2016-01-11 *The Psychology of Religion and Spirituality From the Inside Out* by Timothy Sisemore provides and introduction to the field of the psychology of religion and spirituality utilizing a mixed method approach allowing persons of faith and one who is an atheist to give voice to their experience to supplement the quantitative research that has been done in the field This text honors the value of religion and spirituality in the lives of the majority of humans while acknowledging the weakness and problems that come with faith as well *Spirituality Old & New* Donald G.
