## **U Boat Commander:**

The Official U-Boat Commanders Handbook Bob Carruthers,2013-01-21 This is the complete wartime translation by the US Navy of the 1943 edition of the official handbook given to all U boat commanders The original handbook was compiled from combat reports and was regularly updated throughout the war The handbook was an invaluable reference for every operational U boat commander Simply written and highly accessible for a wider audience the U boat handbook attempted to anticipate every possible situation and to advise on suitable tactics This superb war time primary source is enhanced by a rare series of photographs taken on an actual combat patrol and published during the time of the Third Reich in the book *U Boot Auf Feindfahrt Together* the handbook and these rare photographs provide a fascinating glimpse into the world of the U boats from a first hand perspective and is essential reading for anyone interested in World War II from primary sources

*German U-boat Commanders of World War II* Rainer Busch,Hans-Joachim Röhl,1999 Details the service records of some 1 400 officers of the German Kriegsmarine known to have commanded a U boat between the commissioning of U 1 in June 1935 and the final surrender of U 977 to Argentina in August 1945

*The U-Boat Commanders* Jeremy Dixon,2019-09-30 This illustrated WWII reference guide presents detailed profiles of Nazi U Boat commanders who were awarded the Knight s Cross The Knight s Cross or Ritterkreuz was one of the highest decorations given for acts of valor among the German armed forces during the Second World War When a U boat captain was awarded the decoration it was source of pride for his entire crew Sometimes it was even added to the boat s insignia In all there were 123 recipients In *The U Boat Commanders* Jeremy Dixon provides a highly illustrated guide to all these men and their wartime service A detailed text accompanied by almost 200 archive photographs describes the military careers of each U Boat Commander including those who received the higher grades of the award Full details are given of their tours of duty the operations they took part in how they won their award how many ships they sank and their subsequent careers

**The Odyssey of a U-boat Commander** Erich Topp,1992-07-13 Admiral Topp s memoirs reflect the faith hopes errors and transformations in a man s life indeed those of a whole generation whose understanding of history and ideology were held captive by the myth of power The terrible annihilation in World War II and even more so the unimaginable destructive potential of nuclear weapons have resulted in a change in the use of power The author s diaries and journals along with their contemporary interpretation illustrate the political dimension of this change Topp wrote this book to illuminate a segment of twentieth century history which can only be portrayed truthfully by those who themselves have lived and suffered through it Topp also describes freely the era of the Third Reich Even today after long years of occupying positions of leadership the author feels the burden of historical responsibility In this sense his book is a statement about the ambivalence of human existence It provides answers to the question of why a whole generation of Germans followed the mesmerizing siren song of a totalitarian regime an experience which still looms like a shadow over the living

**To the Last Salute** Georg von Trapp,2007-01-01 The true story of basketball lives as much off the court as on

the hardwood it is about politics and race and cultural clashes as heated as a final four buzzer beater This story unfolds in all its gritty and colorful detail in **Under the Boards** **The Official U-Boat Commander's Handbook - The Illustrated Edition** Bob Carruthers,2012-03-01 This is the complete wartime translation by the U S Navy of the 1943 edition of the official handbook given to all U boat commanders The original handbook was compiled from combat reports and was regularly updated throughout the war The handbook was an invaluable reference for every operational U boat commander Simply written and highly accessible for a wider audience the U boat handbook attempted to anticipate every possible situation and to advise on suitable tactics This superb war time primary source is enhanced by a rare series of photographs taken on an actual combat patrol and published during the time of the Third Reich in the book *U Boot Auf Feindfahrt* Together the handbook and these rare photographs provide a fascinating glimpse into the world of the U boats from a first hand perspective and is essential reading for anyone interested in World War II from primary sources This book is part of the Hitler s War Machine series a new military history range compiled and edited by Emmy Award winning author and historian Bob Carruthers The series draws on primary sources and contemporary documents to provide a new insight into the true nature of Hitler s Wehrmacht The series consultant is David McWhinnie creator of the award winning PBS series *Battlefield*

**Diary of a U-Boat Commander** Stephen King-Hall,Sheba Blake,2017-04-18 Captain Karl von Schenk of the Kaiser s Navy is a stereotypical German nobleman supremely self confident touchy about the divisions of class and any infringement on his place He thinks he is handsome has a suitably manly physique an excellent singing voice and a facility with writing His wartime service related in his diary is a series of triumphs over harrowing circumstances bringing his boat back in spite of the best efforts of the Royal Navy to stop him His one vulnerability is a young lady he meets on leave in Bruges Belgium Although she is the trophy girlfriend of a German colonel who could cause him much harm if he were to find out von Schenk pursues his Zoe with Teutonic straightforwardness And both he and the reader are entirely blind sided by the unexpected thunderclap that puts an end to the sweet affair Stephen King Hall a Royal Navy officer during the war and writing as Etienne penned this book as if he had simply discovered it on a surrendered submarine In fact some editions of the book list the author as anonymous King Hall s knowledge of naval affairs lend authority to this yarn of men that go to the sea in ships that sink on purpose **Wolf** Jordan Vause,2017-02-15 Cultivated by the Allied press during the war and fostered by movies and novels ever since the image of a U boat skipper held by most Americans is the personification of evil the wolf who stalks innocents Quite the opposite image is shared by U boat veterans and others sympathetic to their work the knight who endures unrivaled danger and fights nobly Yet another popular image depicts the submarine operator as a beleaguered sailor swept along by events beyond his control This book examines the lives of many U Bootwaffe officers including the famous and the not so well known to see if a pattern emerges Drawing on a wealth of primary documents and when possible interviews or correspondence with the U boat commanders themselves Jordan Vause follows individual officers from their

youths and early naval training through their wartime experiences and into the often bitter peace that followed His close examination of their lives reveals that many were extremely different from the pictures typically drawn of them and as varied in their thoughts and actions as other fighting men on both sides of the war Particularly valuable is the author's use of new information in his portrayal of Karl Doenitz and other prominent commanders to correct and enhance pictures presented in earlier books His use of personal correspondence and unpublished manuscripts loaned to him in Germany adds special significance to this study and its appeal to all those interested in World War II submarines and the U Bootwaffe
