Udderly Country:

Udderly in Love with the Country Life Holly Aragi,2025-08-19 Which team are you on countryside or city Let yourself reflect on the soulful serenity of the country in this short storybook with illustrations for children and young adults The pictures tell the story and these captions are just the cherry on top You ll be soothed by a chorus of whippoorwills bullfrogs and crickets along with the pleasant sound of a cool breeze flowing through the trees With short enchanting farm captions you ll wish that you were kicking off your boots beside the author Life is better on the farm and in the country

Udder Health and Communication H. Hogeveen,T.J.G.M. Lam,2012-03-10 In dairy industries throughout the world there is a desire to optimize udder health An improved udder health will lead to improved animal welfare improved production efficiency and a reduction of the use of antibiotics To improve udder health first of all technical knowledge on issues such as treatment milking infectious pressure and host resistance is important However over the years we learned that knowledge alone is not enough knowledge has to be used And for knowledge to be used farmers have to be motivated This requires knowledge about motivation and communication In this book recent knowledge on technical udder health issues is combined with knowledge on motivation and communication A large number of descriptions of mastitis control programs that are being carried out worldwide is combined with more specific studies These are aimed at effective advising motivation and communication strategies economics and technical studies on mastitis control and prevention Therefore this book provides an applied source of information for all that are willing to improve udder health
