**UFO Missionaries Extraordinary** Hayden C. Hewes, Brad Steiger, 1976      **Alien Mysteries, Conspiracies and Cover-Ups** Kevin D Randle, 2013-04-01 Conspiracy theories run rampant in the world of the UFO and search for alien life. Some are government sanctioned, some are government sponsored, and more than a few can be laid at the feet of UFO witnesses and UFO investigators. Untangle the truth from the theories thoroughly investigated by a former Army officer and taken from his review of hundreds of historical and government documents and in person interviews. **Alien Mysteries, Conspiracies and Cover Ups** chronicles more than 100 sightings, events, and discoveries of alien encounters, government conspiracy, and the influence of extraterrestrials on human events throughout history. From prehistoric UFO sightings, cave paintings, and ancient astronauts to modern sightings around the world. **Alien Mysteries** investigates claims of aliens living among us, abductions of humans to alien spacecraft, and accounts of interstellar cooperation since the UFO crash in Roswell, along with evidence of what the government knows and what it has covered up. This discussion of the government secrets, theories, and mysteries surrounding aliens is packed with thought-provoking stories and shocking revelations of alien involvement in the lives of Earthlings. A complete dossier on alien activities and government cover-ups, this revealing book includes a look at prehistoric UFO sightings, Indian cave paintings, the Peruvian dinosaurs, the Ica stones, the Majestic Twelve, the Allende letters, the faked photographs that have been published as the real thing, the Condon Committee, the Roswell bodies, the alien autopsy project, moon dust, the Phoenix lights, ancient astronauts, the recent UFO crash in Needles, California, and much more.      [Crash: When UFOs Fall From the Sky](#) Kevin D. Randle, 2010-05-20 When the scientific community asks for evidence of alien visitation, it is to Kevin Randle's work they turn. Here is a complete update of research into the reports of alien spaceship crashes that provides new insights into many of the older cases and adds depth to new ones being reported. Written by one of the leading experts in the UFO field, **Crash When UFOs Fall From the Sky** provides the solutions to cases that seemed perplexing and adds depth to those that have no terrestrial solution. This fascinating book provides the latest information on the controversial Roswell UFO crash, explores the first suggestions of a UFO crash from the 19th century, explains the controversy surrounding the 1950 Del Rio UFO crash, updates the Las Vegas UFO crash of April 1962, and provides solutions for some of the more controversial UFO crashes.      [Heaven's Gate](#) George D. Chryssides, 2016-12-05 On March 26, 1997, the bodies of 39 men and women were found in an opulent mansion outside San Diego, all victims of a mass suicide. Messages left by the Heaven's Gate group indicate that they believed they were stepping out of their physical containers in order to ascend to a UFO that was arriving in the wake of the Hale-Bopp comet. The Heaven's Gate suicides were part of a series of major incidents involving New Religions in the 1990s as the new millennium approached. Despite the major attention that Heaven's Gate attracted at the time of the suicides, there have been relatively few scholarly studies. This anthology on Heaven's Gate includes a combination of articles previously published in academic journals, some new writings from experts.

in the field and some original Heaven's Gate documents All the material is expertly brought together under the editorship of George D Chryssides

*Real-Life X-Files* Joe Nickell, 2001-10-24 As a former private investigator and forensic writer Joe Nickell has spent much of his career identifying forged documents working undercover to infiltrate theft rings and investigating questioned deaths Now he turns his considerable investigative skill toward the paranormal researching the most well known and mysterious phenomena all over the world spontaneous human combustion UFO visitations auras electronic poltergeists and many many more with an eye toward solving these mysteries rather than promoting or dismissing them

*Real Life X Files Investigating the Paranormal* examines the cases of over forty paranormal mysteries Using a hands on approach Nickell visits the scene of the so called unexplainable activity whenever possible and attempts to physically duplicate the miraculous Whether he's inflicting stigmata on himself or recreating the liquefying blood of Saint Januarius Nickell does whatever necessary to eliminate the probable before considering the supernatural What is left is that much more fascinating Nickell reports on familiar legends from American history such as the supernatural events surrounding Abraham Lincoln's death and the supposed crash landing of an alien spacecraft near Roswell New Mexico He closely examines claims of the miraculous from rose petals bearing the likeness of Jesus to photographs of a golden door to heaven

Controversial mysteries such as clairvoyance and spirit painting haunted places and freaks of nature are just a few of the many topics covered Suspenseful engrossing funny and grounded in scientific methodology *Real Life X Files* provides real explanations for the paranormal activities that have intrigued human beings for centuries

**The Encyclopedia of Extraterrestrial Encounters** Ronald Story, 2001 With contributions by a host of experts on all things alien this compendium of UFOria is a comprehensive A to Z encyclopedia containing over 800 entries 300 drawings photos

**Encyclopedic Sourcebook of Ufo Religions** James R. Lewis, 2003-11 The macabre mass suicide by adherents of the Heaven's Gate Cult in 1997 was shocking and difficult to comprehend for most outsiders Their bizarre mindset which mixed New Age religion with belief in extraterrestrial visitation struck many as unique In fact as the contributors to this intriguing study show the belief in alien contact has had religious overtones since the first purported sighting of an unidentified flying object UFO in 1947 Moreover the religious dimensions of the UFO phenomenon may be the key to understanding the widespread appeal of this modern craze An expert in new religions Professor James Lewis has here brought together twenty insightful articles that cover the many variations of UFO based religions What the contributors demonstrate is that there are persistent and salient themes underlying the diversity of beliefs centered on the UFO phenomenon Harkening back to theosophy many groups have interpreted UFO sightings and alleged contacts as attempts by alien ambassadors from a more advanced civilization to bring spiritual enlightenment to

Earth where humanity is seen to be floundering in ignorance The extraterrestrial message is usually channeled through a charismatic human leader who then mobilizes a group around this New Age revelation The Encyclopedic Sourcebook of UFO Religions discusses the histories and beliefs of prominent UFO based sects looks at group dynamics and other sociological factors and presents selections from the unusual literature of the various groups This revealing and disturbing study shows that there is much more to the UFO phenomenon than simple curiosity about the possibility of life on other planets **The Facts on UFO's and Other Supernatural Phenomena** John Ankerberg, John Weldon, 1992 This 48 page booklet alerts readers to the evil behind the seemingly harmless fascination with UFO s and other supernatural phenomena The UFO Literature Richard Michael Rasmussen, 1985 **The Complete Book of Extraterrestrial Encounters** Randall Fitzgerald, 1979 **UFOs and the Extraterrestrial Contact Movement: The extraterrestrial contact movement** George M. Eberhart, 1986 High Strangeness Jerome Clark, 1996 **The Zetetic** , 1976 **Indiana Folklore** , 1979

**Deadly Cults** Robert L. Snow, 2003-11-30 How do seemingly normal or ordinary citizens suddenly find themselves committed to a group whose leader promotes criminal activities and isolation from families and friends What should you do if a loved one becomes indoctrinated by a potentially dangerous cult By providing specific accounts of dangerous cults and their destructive acts Snow illustrates how seemingly innocent groups can turn pernicious when under the sway of a charismatic leader with an agenda or when members take things too far He offers advice on how to identify cults how to protect yourself and your family and what to do if a loved one is ensnared by such a group Annotation Snow a veteran Indianapolis police officer in the homicide branch does not bother with groups that are demonized as cults merely because they diverge from someone else s idea of truth or proper deportment but focuses on those that are responsible for major crimes such as murder and torture They include religious occult millennial new age UFO doomsday and suicide cults He also discusses their danger appeal recruitment and indoctrination and how to combat them **Chicorel Index to Parapsychology and Occult Books** Marietta Chicorel, 1978 **Century's End** Hillel Schwartz, 1990 This guide for the 1990s reveals fascinating patterns into cultural responses and looks at the twentieth century s approaching final decade
