The Sky Foot

This posture uses a table, or any other furniture that's a suitable height for penetration with the man standing (try out a few possibilities!). It gives the man easy access and lots of control, and he can move the woman's legs to help vary the angle.

1. To the woman: ease yourself onto the table, wrapping your legs around the man for support. Grip the edges of the table.
2. To the man: enter her gently and bring her legs up and together, so her buttocks rest against your thighs.
3. To the woman: lean back on the table, using your elbows for support as he strokes your thighs as you make love.
