Uniting The Tailors:

Uniting the Tailors Anne J. Kershen, 2014-02-04 This book is not only about the tailoring industry and its trade unions it is about the experience of eastern European immigrants in a trade as old as the Bible and yet as new as the electric sewing machine it is about the role of women in a new industry and about the impact of socio economic change on fashion Finally it is about the way in which sub divisions and differences were accommodated under the umbrella of one particular trade union
