Unity A Quest For Truth:

Unity Eric Butterworth,1994-06 **A Search for Truth** Ernest J. Honigmann,2016-08-03 The genesis of this book was in 1957 when the author was rejected from a loving courtship because he did not believe in the existence of God To quell the pain and to understand what had happened to him he researched the evidence as to why people believe that God exists The result was this book a predominance of evidence in favor of atheism Further the author found that truth should always be held provisionally not permanently pending discovery of new evidence and insights For example the author s atheism is provisional His search also brought a tough new world If God does not exist we need new concepts for the meaning of life the basis of morality and our unalienable Rights to Life Liberty and the pursuit of Happiness This book offers his solutions to those problems And one more thing The author s recommendation in his final chapter for a new way to search for religious truth forms the most exciting part of this book and possibly the most prophetic Now in 2016 50 years after it had been offered to the world and rejected by the publishers as a threat to their own interests our society has come of age And this book with its eye opening freshness still intact is finally yours to learn from and to enjoy *Truth and Mockery in Platon and in Modernity* Dale Wilt Evans,2001 The modern world is preoccupied with correctness in its views of nature government economy and culture but at an unacceptable price We find nature blind and indifferent and we now see culture as anything legally allowed This insightful study examines the philosophy leading us here while showing how to change it If we accept the integral role of mockery in truth we gain a more comprehensive view of ourselves and the world In a perceptive study of four dialogues of Plato the ones telling the story of Socrates defense of philosophy we find a pattern for our own growth This book calls for renewed faith in an educated perception and in noble self development It speaks to discovering heart and soul not in an aesthetic diversion but in the nature of everything around us **The Irish Ecclesiastical Record** ,1929 **Christian Life, Faith and Thought in the Society of Friends** London Yearly Meeting (Society of Friends),1922 **Pulpit Talent, Training for the Pulpit Manward, Building Eras in Religion, and Literary Varieties** Horace Bushnell,1882 Christ the truth, an essay towards the organization of Christian thinking, 8 lectures William Medley,1900 **Reconstruction and the Renewal of Life** William Ritchie Sorley,1919 **International Review of Missions** ,1928 *Trends of Thought and Christian Truth* John Augustus William Haas,1915 *Andover Newton Bulletin* ,1930 **Yahvism** Adolph Moses,1903

The Knowledge of Religious Truth Francis Augustus Henry,1922 Journey Into Truth Kent Sayler,2010-09-20 This book chronicles the amazing spiritual journey made by the author after a series of misfortunes took him from a happy life into an abyss filled with grief and aching loss He thus began questioning everything about life faith truth and God In frustrated desperation he started a five year quest for answers to the melancholy and pain The author writes of powerful hidden knowledge discovered during his fight back to wholeness Through these secrets he ultimately attained a deep genuine sense of peace joy and purpose The book shares personal details of his significant insight filled journey as well as the hidden

formula for happiness that he uncovered along the way His references to long lost ancient wisdom make it easy for readers to quickly find their own pathway to profound peace and joy They are also led to discover the means by which they can personally experience a life of true contentment coming to understand their life s unique purpose and thereby achieving deep personal fulfillment
