Sherrilyn Kenyon

Unleash The Night:

Unleash the Night Sherrilyn Kenyon,2005-12-27 It s a predator eat predator world for the Were Hunters Danger haunts any given day There is no one to trust No one to love Not if they want to live An orphan with no clan that will claim him Wren Tigarian grew to adulthood under the close scrutiny and mistrust of those around him A forbidden blend of two animals snow leopard and white tiger Wren has never listened to anyone when there was something he wanted Now he wants Marguerite Marguerite D Aubert Goudeau is the daughter of a prominent U S Senator who hates the socialite life she s forced to live Like her mother before her she has strong Cajun roots that her father doesn t understand Still she has no choice but to try and conform to a world where she feels like an outsider But the world of rich and powerful humans is never to meet the world of the Were Hunters who exist side by side with them unseen unknown undetected To break this law is to call down a wrath of the highest order In order to have Marguerite Wren must fight not just the humans who will never accept his animal nature but the Were Hunters who want him dead for endangering their world It s a race against time and magic without boundary that could cost Marguerite and Wren not just their lives but their very souls

Unleash the Night Sherrilyn Kenyon,2006 **They Own the Night** Michael S. Pauley,2013-07-03 The Aliens initial attacks were precise and devastating Traversing the planet under the cover of darkness they eliminated most of the Worlds leaders and crippled their militaries all in one night The horrific assaults continued unchecked as the thousands of alien craft circled the globe like locust killing anyone in their path For those who saw their methods and survived it was clear that the invaders wanted to do one thing remove all human life from the planet Our only recourse was to rely on the Continuity of Government plan and the people with the background to try and maintain a working government The surviving leadership would do all they could to try and put things back together and to preserve what they could but would preservation be enough After a harrowing escape from the initial Alien attack with his wife and only a part of his family it was a different world for Lieutenant General Michael Patrick United States Army Reserve No longer would he be just a small town lawyer or a tired washed up former special operator and relic of the Cold War Now it would fall to General Patrick to piece together the military forces that would stop the onslaught Together with other old soldiers and the survivors of the various armies and navies from around the globe they would pull themselves together as a fighting force Their one thought their one mission was not just to preserve life but to take back the night
